

180 type water well drilling rig manufacturer

DTH drilling rig *YK The water well drilling rig is a lightweight, efficient, multi-functional trailer-type fully hydraulic drilling rig. It has the characteristics of ...

Drilling Diameter: 90 - 305 mm Drilling Depth: 0-180 m Mobility Type: 4 wheels trailer, front wheels with steering Drilling Method: Air Drilling & Mud Drilling >> ...

SW-180C hydraulic water well drilling machine is top head driving, both mud pump drilling and air compressor drilling, mainly for drilling water wells, ...

Find verified Dr-180 Hydraulic Crawler Diesel Engine Rotary Drill/Drilling Rig Manufacturer for Engineering Foundation Municipal Construction/Water Well/Mining Excavating suppliers and ...

Water well drilling made faster and easier with well drilling rigs and well drilling equipment designed to efficiently drill water wells.

Key attributes Type Rotary Drilling Rig Power Type Diesel Use Water Well Drilling Diameter 300mm, 50mm, 75mm, 60mm, 100mm, 700mm, 200mm, 450mm, 600mm Drilling Depth ...

Well drilling rigs | Choosing the right drilling rig A drilling rig is a type of construction equipment used to make holes in the earth's surface. They can ...

Condition: New Type: Rotary Drilling Rig Power Type: Diesel Place of Origin: Henan, China Brand Name: DH machinery Usage: Water Well Dimension (L*W*H): 4500*2400*1800 Weight: 1200 ...

Sino Mechanical has more than 20 years extensive experience in the field of water well drilling rigs. We design and manufacture safe, reliable and efficient ...

series well drilling rig is a kind of light, high efficient and multi-function crawler-type full hydraulic drill, has advanced structure, easy to use, configuration standardization, short assistant time, ...

The MW180 180m steel crawler water well drilling rig offers high efficiency & durability for deep well projects. Boasting a 180m drilling depth, its steel - crawler design ensures stability. Ideal ...

Explore Our Products Drillrigy, a premier manufacturer of China water well drilling rigs since 1998, has long established its stature as a formidable entity in the ...

180 type water well drilling rig manufacturer

The ST 180 Pneumatic Drilling Rig is an advanced large pneumatic water borehole drilling machine capable of drilling holes up to 180 meters deep. Powered by an external air ...

Applications KW180 water well drill rig the drilling diameter is 140-254mm and the drilling depth can reach to 180 meters, which can meet most of the farming or ...

KW180 is a type of light, high efficient and multifunctional drilling rig. It is widely applied in water well, irrigation well or other boreholes, especially good for ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Roschen's water well drilling rigs are designed for safety, reliability, and productivity with products to serve all of your drilling needs. Roschen has a rich history in the water well ...

Product Description Product DescriptionThe 180 water well drilling rig is an efficient and practical drilling equipment, with a maximum drilling depth of up to 180 meters.Strong adaptability, ...

A drilling rig is a type of construction equipment used to make holes in the earth's surface. They can vary considerably in size: they can be massive structures or light enough to be moved ...

The equipment has remarkable characteristics: high degree of mechanization, fast hole forming efficiency, drilling depth up to hundreds of meters, widely used in agricultural irrigation, ...

The company focuses on the development of full-hydraulic multi-function water well drilling rigs for more than 15 years, and has become a production service ...

Our water well drilling rigs are efficient, easy to operate. The acceptable drilling depth is 180-800 meters. Purchasing a water well drilling rig is a one-time ...

We advocate "optimal design, excellent quality, high quality service", we focus on the quality of hydraulic water well drilling machine, truck mounted borehole drilling machine, crawler water ...

High quality Customized Design St180 Water Well Drilling Rig Rocky Equipment from China, China's leading product market customized design water well drilling rig product, with strict ...

NOV Gill Services is recognized as an industry leader in the supply of equipment, parts, and repair services for the drilling and well servicing industries with a worldwide distribution ...

Discription YKW-180 wheel/trailer type hydraulic crawler type water well drilling rig is a moveable, efficient

180 type water well drilling rig manufacturer

and multipurpose rock drilling equipment. It has rotary drilling mode and percussive ...

YG Machinery is a professional drilling rig manufacturer and supplier with more than 20 years of experience. Besides horizontal directional drilling equipment, ...

FYX180 Professional Construction Borehole Water Well Drilling Rig Machine 180 Depth Rubber Crawler Core Motor/Engine Mining No reviews yet Shandong Wogong Technology Co., Ltd. ...

High-efficiency ST 180 pneumatic drilling rig for 180m water wells & soil testing. Features 63kw diesel engine, 20-40m/hour drilling speed & 1-year warranty.
