

Aba crawler brand integrated hydraulic down-the-hole drill rig

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast ...

Drilling Rig For Sale We offer a full range of drilling rigs serving the geotechnical, environmental, geothermal, core, oil and gas, water well and blast hole drilling industries. jk Drilling"s ...

The down-the-hole drilling machine is suitable for large-diameter blast hole rock drilling operations in small and medium-sized mines, road construction, water ...

JK Drilling is a leading dth boring machine supplier, offering crawler mounted hydraulic down the hole drill rigs. Our rigs can drill holes ranging from 90-305mm in diameter and 18m-200m in ...

The HD202 is a heavy-duty and versatile drill rig, powered by 204 HP engine, with super high pull-back (15 tons) on the drill mast. This fully hydraulic crawler drill ...

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

PD INNOVATE PDKJ- 845 Integrated Down -the- hole Drill rig Features: KH847 Integreted Blasting Hole Down-The-Hole Drill Rig 1:Enhanced steel propulsion beam, ...

PD INNOVATE PDKJ- 847 Integrated Down -the- hole Drill rig Features: KH847 Integreted Blasting Hole Down-The-Hole Drill Rig 1:Enhanced steel propulsion beam, ...

Factory Price Kaishan Brand KT9C KT9D Hydraulic Integrated Down The Hole Crawler Drill Rig 25m Depth For Borehole Rock Blasting

Crawler Mounted Hydraulic DTH Drilling Rig The crawler-mounted drilling rig is particularly designed for drilling big holes, such as blastholes and photovoltaic holes. Equipped with an ...

PD INNOVATE PDKJ- 103 Integrated Automatically Changing Rod Down -the- hole Drill rig Features: 1: Automatic receiving and unloading rod system, to meet a single ...

Aba crawler brand integrated hydraulic down-the-hole drill rig

JK drilling, a professional drilling rig manufacturer from China, is experienced in providing high-quality and high-efficiency surface drilling equipment to meet various needs in different industries.

With a power unit composed of diesel engines and hydraulic oil pumps, the automatic crawler-mounted drilling rig is efficient and energy-saving. A hydraulic motor facilitates drilling, feeding, ...

JK830-2 Integrated Hydraulic DTH Drilling Rig JK830 integrated hydraulic DTH drilling rig is designed to drill large bore holes (138-235 mm). It features ...

Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production drilling applications in surface mining and ...

Full hydraulic down-the-hole (DTH) drilling rig is a drilling rig for sale that uses oil pressure to drive and control all moving parts in the process of adjusting the ...

In the world, there are hundreds of player, who making the Drill Rigs from one century ago. Their drilling machine cover almost all drilling ...

The integrated drilling rig produced by JK Drilling features robust automation capability, high drilling efficiency and reliable quality. With excellent functions, the rig is applicable to open-pit ...

PD INNOVATE PDKJ- 843B Integrated Automatically Changing Rod Down -the- hole Drill rig Features: PDKJ-843B Integrated Blasting Hole Down-The-Hole Drill Rig ...

The Integrated down the hole drill rig for open use is a new drilling device to meet the needs of large open-pit mines. Its travelling, propulsion, rotation and angle ...

The KT5C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, characterized by compact ...

The ZT5 integrated open-air DTH drilling rig is an advanced equipment featuring an automatic rod-changing system and ergonomic cab. It integrates a DTH drilling system with a screw air ...

KAISHAN KT11 Integrated Down the hole Drill Rig offers high efficiency and reliability for mining projects. With a drilling diameter of 100mm and a depth of 25m, it is perfect for various industries.

DTH down the hole full hydraulic crawler drilling rig with Japan standard since 2009. The rotary torque 4200-5100Nm. Hole size: 89-140mm | 3.5-5.5 inch.

The open-air full hydraulic drilling rig comes with a heavy-duty hydraulic top hammer drill (23.4 KW). With

Aba crawler brand integrated hydraulic down-the-hole drill rig

its powerful rotary torque impact power and advanced control system, the rig is ...

Crawler drilling rigs | Choosing the right drilling rig There are two main types of drilling rigs: autonomous crawlers and truck or trailer-mounted. You will need ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast holes and pre-splitting holes. It ...

Full hydraulic down-the-hole (DTH) drilling rig is a drilling rig for sale that uses oil pressure to drive and control all moving parts in the process of adjusting the drill rod"s forward and backward angle.

The drilling rig is equipped with the crawler leveling function, which makes the center of gravity of the drilling rig more stable up and down the slope, and the ...

The KT25 dth drill rig with remote control for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine stonework blast holes and pre-splitting holes. it is driven ...

The KT5C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor ...
