

Anyang Kaishan down-the-hole drilling rig model

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast ...

Kaishan KT11 integrated down the hole drill rig is the growing-up version of ZT11 model, can drilling vertical, inclined and horizontal holes, mainly used for open ...

Home » Products » Drill Rigs and Rock Drills »KM311 Underground Mining Bolting rig Get Operation Manual KM311 hydraulic rock bolting rig is specially designed for the construction of ...

The KT15C integrated down the hole drilling rig is more heavy then KT15 model, which is lower revolving rotating speed of gyrator 100rpm/min, and with feed stroke 4580mm/5580mm for ...

If you are searching for high end drilling rig and air compressor, we promise that it is well worth checking our company. Headquartered in Zhengzhou City, ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

KAISHAN provides a full range of drilling rigs designed for different applications in the mining, tunneling, and other infrastructure industries.

The KG610H open-type down-the-hole drill rig is an improved unit designed for unrestricted operation, fully compliant with national regulations for diesel engine emissions. Equipped with ...

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the screw compression system and ...

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, auxiliari products for the drilling rig, ...

Kaishan KG430 blast hole drill rig is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Anyang Kaishan down-the-hole drilling rig model

"Kaishan brand" down-the-hole drilling rig series products are innovatively designed according to the characteristics of Chinese mines, with novel structures, high efficiency, and energy saving.

Crawler Blasting Rig ZT5 Mining Blast Hole Down The Hole Drilling Rigs With Built-in Compressor ZT5 integrated open-air DTH drilling rig is an advanced ...

Kaishan KT11 integrated down the hole drill rig is the growing-up version of ZT11 model, can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

The KG590/KG590H open-pit DTH drilling rig is an eco-upgraded model compliant with national environmental standards. Powered by a Yuchai 4-cylinder National III engine, it meets ...

The Kaishan Portable Blast Hole Open Mine Drilling Machine KG726 Down The Hole Hammer Drill is an upgraded model developed to meet national environmental protection standards. It ...

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and four wheel drive. The track leveling ...

Economical Kaishan ZT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre ...

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework blast holes and pre-splitting holes is driven ...

Categories: All Products, Kaishan Drilling Rigs Description: The "Kaishan" brand KT5C/KT7C/KT9C integral DTH mine drilling rig is designed for: Open-pit mining Quarry ...

The KG410 down-the-hole drill rig for open-pit mining is an enhanced model compliant with national diesel emission regulations. Equipped with a Yuchai 4-cylinder China III engine, it ...

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

KT12 Integrated Down the hole Drill Rig The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw ...

Kaishan KG590 blasting hole drilling rig has high-capacity rock drilling in quarries, opencast mines & rock

Anyang Kaishan down-the-hole drilling rig model

excavation. Trusted Equipment Supplier.

KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open pit mine, stonework blast holes and pre-splitting holes.

Our KT15 integrated surface DTH drilling rig is designed by drawing inspiration from previous models. It can satisfy most needs of operators by providing a ...

Crawler Blasting Rig ZT5 Mining Blast Hole Down The Hole Drilling Rigs With Built-in Compressor ZT5 integrated open-air DTH drilling rig is an advanced drilling equipment with automatic rod ...

The Kaishan KT15 high pressure integrated drilling rig is specially designed as a high efficiency mining machine for large scale open-pit mines based on our years of experience designing ...
