

Canadian anchor engineering drilling rig manufacturer

Who is the largest drilling rig contractor in Canada?

Precision Drilling Corporation is the largest drilling rig contractor in Canada, also providing oil field rental and supplies. Precision Drilling Ltd. was founded in 1951. In 1987, Precision Drilling was acquired by Cypress Drilling, led by president Hank Swartout, in a reverse takeover which left the company with a fleet of 19 rigs.

What is anchor drilling rig used for?

The anchor drilling rig is mainly suitable for anchoring and supporting deep foundation pits. It can also be used for rotary grouting construction by replacing the rotary grouting module. 8.

What are the applications of anchoring?

Application: anchoring engineering, anchor cable construction, anti-floating anchor pilot holes, rotary jet grouting, soil nailing support, dewatering wells, geothermal well boreholes, civil engineering, geotechnical engineering, slope support anchoring, deep foundation pit reinforcement treatment. Easy ways to get the answers you need.

Who is the rig shop?

We specialize in the manufacture of all types and sizes of onshore drilling equipment using both conventional and coil tubing technologies. The Rig Shop's experienced management, production, and engineering teams help ensure that our customer's needs are fully understood and the final product meets their standards.

What API certifications does the rig shop have?

As an API 4F-0517, API 8C-0389, API 7K-0647, and, API Q1-6701 certified facility The Rig Shop's well equipped oilfield fabrication facilities and our experienced manufacturing personnel allow us to offer a wide range of API monogrammed drilling equipment and products.

Is drilling a technical art?

Drilling is a highly technical art that requires mastering several methods and technologies to perform well. At LEG, our vast experience has enabled us to acquire perfect mastery of drilling with casing in Top-Hammer, with casing advancement in single rotation Down-The-Hole, and with casing advancement in double rotation Down-The-Hole.

SA-150Q Hydraulic Multi-functional Anchor Drilling Rig could achieve various drilling method, good performance for complex geological conditions, suitable ...

Drillmec is an international leader in manufacturing and distribution of drilling rigs for onshore and offshore applications as well and of drilling ...

Canadian anchor engineering drilling rig manufacturer

The HR-300X anchor drilling rig can meet the needs of a variety of drilling technology, such as water injection and powder discharge, soil drilling, anchor ...

JINFAN is China drilling rig manufacturer. YGS-120 anchor drill rigs are equipped with two fully hydraulic operated top drive power head. They are used to drill ...

Introduction The term "Anchor/Micropile Foundation Drill Rig" covers several differing types of machines for use in the deep foundation construction industry. This guide is intended to cover ...

Energy Dais presents the most comprehensive list of the top Drilling Rig manufacturers in India, Middle East, USA & Canada. Choose from a list of 50+ ...

The Foundation Pit Support Anchor Engineering Drilling Rig is crucial for ensuring the stability and safety of construction projects. By securely anchoring ...

We're well-known as one of the leading full hydraulic anchor engineering drilling rig manufacturers and suppliers in China. Please feel free to buy the best full hydraulic anchor engineering ...

The Anchor Engineering Drilling Rig is constructed using globally sourced components from reputable manufacturers, ensuring excellent reliability, reduced maintenance, and extended ...

Company Brief: JINFAN Drilling Equipment Company is a renowned drilling rig manufacturer and supplier in China. Our most popular products include a ...

JINFAN is China anchor drill rig manufacturer. YG-100 anchor drill rig is used to create large tonnage prestressed anchorage holes for side slope construction ...

The HR-300X anchor drilling rig can meet the needs of a variety of drilling technology, such as water injection and powder discharge, soil drilling, anchor cable, pipe, drill pipe connection, ...

XITAN Technology (JIANGSU XI TEC ENVIRONMENTAL & DRILLING EQUIPMENT COMPANY CO.LTD) is a engineering machinery manufacturing enterprise, which integrating scientific ...

Facilities and Capabilities Arabian Rig Manufacturing (ARM) is the largest integrated rig manufacturing, drilling equipment, and aftermarket facility to ...

Buy high-quality anchor drilling rig, crawler anchor drill machine for sale in YG Machinery Manufacturer. Factory price and in stock. Click!

Find the top drilling rig suppliers & manufacturers from a list including Lone Star Drills. a Little Beaver

Canadian anchor engineering drilling rig manufacturer

Company, Acker Drill Company Inc & AMS, Inc.

6 days ago; Manufacturer of rig and drilling equipment for the underground construction and foundation engineering industries. Training, after-sales support, and project specific consulting ...

Anchor & Micropile Drilling Our fleet of modern casing rigs can handle any ground conditions to install tiebacks, anchors, pipe piles, and micropiles. With machines that can tackle foundations ...

ZJ-series full hydraulic anchor engineering drilling rig is fully hydraulic driven power head drilling rig, which is suitable for the construction of high-rise building deep foundation pit anchoring, ...

Enggpro presents the most comprehensive database of the Top Onshore or Land Drilling Rig manufacturers, suppliers and exporters in India, USA, Middle East, Canada and Other Asian ...

Our company combines international advanced technology, constantly exploring in practice, and has always been in a leading position in horizontal core drilling rig, Hydraulic Solar Pile Driver, ...

China Quality Anchor Drilling Rig and Tunnel Drilling Rig suppliers Sichuan Zuanshen Intelligent Machinery Manufacturing Co., Ltd., We are committed to ...

JINFAN is China mini-sonic drilling rig manufacturer. Our products include engineering crawler drilling rig, geothermal drilling rig, exploration drilling rig, ...

Italian Based Drilling Rig Manufacturer "We have been purchasing Drilling Swivels in various sizes for the last 10 years and we have been pleased with ...

China Quality Anchor Drilling Rig and Tunnel Drilling Rig suppliers Sichuan Zuanshen Intelligent Machinery Manufacturing Co., Ltd., We are committed to providing high quality products, ...

The company's products such as water well drilling machines, down-hole drilling machines, core drilling machines, solar photovoltaic pile driver, anchor drilling ...

Since 1986, Comacchio has specialized in the design and manufacture of hydraulic drill rigs for a wide range of applications in the field of ground engineering, geotechnics, mining exploration, ...

We Offer Rock Anchoring, Rock Anchoring, Soil Anchoring, Prestressed Rock Anchors, Prestressed Structures Rock Anchors, Piling, Micro Piling, Piling ...

Drilling At LEG, we have mastered the art of drilling. Using cutting-edge technology, our experienced team is able to carry out precise and efficient drilling, even in the most difficult ...

Canadian anchor engineering drilling rig manufacturer

This anchor engineering drilling rig is especially designed to be used on steep slopes and embankments. The slope drill rig adopts our latest group technology and new hydraulic ...

CARE Industries provides rig manufacturing, drilling rig packages and design for Canadian and international oil & gas industries.
