

Changdu Engineering Water-grinding Drilling Rig

Who is Jinfan drilling rig manufacturer?

JINFAN is Chinadrilling rig manufacturer,offer hydraulic crawler drilling rig,anchor drill rig,water well drilling rig,core drilling rig,in addition to drilling tools such as DTH hammer,eccentric casing bit and wire-line core barrel.

What types of drilling rigs are available?

Our most popular products include a hydraulic anchor drill rig, hydraulic crawler drilling rig, water well drilling rig, core drilling rig, in addition to a variety of related drilling tools including our DTH hammer, pulling machine, eccentric casing bit and wire-line core barrel.

What is a hgd-200 rig used for?

Our HGD-200 and HGD-300A rigs are frequently used for offshore engineering geological investigations in the South China Sea, the Huanghai Sea, and the East China Sea. They are indispensable tools for the safe and sturdy construction of crossing sea bridges, petroleum pipelines, ports, and more.

Which anchor drilling rigs are best for subgrade strengthening?

Our YG-30, YG-50 and YG-60 anchor drilling rig models are extremely popular for subgrade strengthening, so as to prevent landslide disasters, rock collapses, as well as other geological calamities.

What is a Jinfan yg-80 & yg-60 anchor drilling rig used for?

Due to their reliable performance and wide range of applications, the JINFAN YG-80 and YG-60 anchor drilling rigs are often used to create holes for anchoring purposes in many key hydropower stations of China.

A drilling rig is a complex piece of machinery that is used to create boreholes in the earth. These boreholes are typically used for extracting natural resources such as water, ...

SPJ-260 Grinding Disc Drilling Rig SPJD-260 crawler grinding disc drilling rig is a multifunctional large-diameter water well drilling rig independently developed by our company. It adopts the ...

Chengdu International Mining Equipment Expo, June 19-21, 2025 at Chengdu Century City New International Convention and Exhibition Center in Chengdu, spans eight ...

About Hardrock Shanghai Hardrock Drills Co., Ltd (SH Hardrock Heavy Industry) is located in Shanghai, who is dedicated in designing and manufacturing the borehole drilling rigs. The rigs ...

SPJ-160 Grinding Disc Drilling Rig SPJ-160 drilling rig is a multi-functional large-diameter water well drilling rig equipment independently developed by our company. It adopts the latest ...

Changdu Engineering Water-grinding Drilling Rig

DR200 type crawler multifunctional water well drilling rig is a new type, high efficiency, energy saving, multi-function hydraulic drilling machine, mainly used for drilling Wells, monitoring well ...

About Chengdu Shidashi Mechanical Equipment Co., Ltd. Chengdu Shidashi Mechanical Equipment Co., Ltd. can present best quality Industrial Plants, Machinery & Equipment and ...

JMengyin Feida Mining Engineering Machinery Co., Ltd. specializes in the production of water well drilling rigs, core drilling rigs, solar pile drivers, screw air compressors, ...

Our company specializes in the production of water well drilling rigs (rotary table, power head), which can meet the requirements of technology: 1 positive mud ...

Explore Our Products Drillrigy, a premier manufacturer of China water well drilling rigs since 1998, has long established its stature as a formidable entity in the ...

Dive into water well drilling equipment, key features, and innovations, and find out how Prime Rigs offers safety, efficiency, and ROI to ...

The goods are out of stock for the time being. Please enter your Email below. When we have the spot supply, we will send you an email to inform you! *E-mail: Submit Product: SPJ-90 ...

Shandong Wogong Technology Co., Ltd. is mainly engaged in water well drilling rigs, mining engineering machinery, air compressors and other machinery. Accept OEM and ODM orders, ...

1 Year Video outgoing-inspection Provided Machinery Report Provided Brand Machine weight 300 Rotation speed 860 Power head power 380 Drill rod types available Vertical water drilling rig ...

Kiran Engineers is an ISO 9001:2015 certified company manufacturing top quality water drilling & mining rigs for more than three decades. Designed and ...

A drilling rig is a complex piece of machinery that is used to create boreholes in the earth. These boreholes are typically used for extracting ...

High-Quality Construction Machinery: The Crawler type water grinding drill drilling equipment is designed for energy mining drilling RIGS, ensuring reliable performance and durability in ...

The drilling services include drilling & completion, drilling technological service and drilling instrument manufacturing, etc. And the petroleum engineering technological series are ...

Changdu Engineering Water-grinding Drilling Rig

For the best all terrain drill rigs for Water well drilling, Foundation piling, Exploration drilling and Opencast mining machines and drilling equipment, Please contact us for any information or a ...

Established in 1992, Quzhou Sanrock Heavy Industry Machinery Co., Ltd. is a manufacturer specialized in the research, development and production of DTH ...

Get drilling rigs in Chengdu, Sichuan at best price. Find list of drilling rigs manufacturers, suppliers located in Chengdu & near by cities.

Our drilling machines are used in GSHP systems, engineering geological investigation, water well construction, water conservation industries. We specialize in engineering top-of-the-line ...

You'll be supported by our industry-leading customer service to help troubleshoot anything from well drilling techniques to service concerns on water well drilling rigs. Explore our well drilling ...

You'll be supported by our industry-leading customer service to help troubleshoot anything from well drilling techniques to service concerns on water well drilling ...

Referred to as automatic water grinding drill, is a customized product for the construction scheme. The drill machine uses electric feed instead of the hand-operated feed of the traditional water ...

Land rigs As mechanization made the hunt for hydrocarbons more efficient, it had a direct effect on land rig design. The first land rigs were permanent wooden structures and would be left in ...

High-Quality Construction Machinery: The Crawler type water grinding drill drilling equipment is designed for energy mining drilling RIGS, ensuring reliable performance and ...

Our company is a real manufacture located in Chengdu, Sichuan, China, which aims to design and make high quality mountain drilling rig, geophysical portable rig petroleum prospecting rig. ...

Shandong Wogong Technology Co., Ltd. is mainly engaged in water well drilling rigs, mining engineering machinery, air compressors and other machinery. ...

The HZD-P horizontal water grinding drilling rig integrates high-pressure water flow and diamond circular cutting technology& comma; which can efficiently penetrate reinforced concrete and ...
