

Chilean small screw air compressor manufacturer

Who makes screw air compressors?

As one of the largest professional manufacturers of screw air compressors, they are experts in the research, development, production, and sales of air compressors and related products. In 2017, they became part of the Hitachi Group of Japan, further solidifying their position in the industry. 1. Atlas Copco Country: Sweden Founded: 1873

How to choose an air compressor manufacturer?

An air compressor is a device used to compress gases. It shares a similar construction with water pumps. Most air compressors are of the reciprocating piston type, rotary vane, or rotary screw variety. When selecting an air compressor manufacturer, the brand's market position and product diversity should be the primary considerations.

Who makes the best lubricant for a screw compressor?

Sullair is a trusted name for high-performance screw compressors in extreme conditions. Their compressors feature Sullube lubricant technology, which extends operational lifespan and minimizes maintenance needs. 5. Gardner Denver Gardner Denver delivers advanced solutions for industries requiring clean and efficient compressed air.
