

China's Jiangshui Well Drilling Rig Manufacturers

Who is Jinfan drilling rig manufacturer?

JINFAN is China drilling rig manufacturer, offer hydraulic crawler drilling rig, anchor drill rig, water well drilling rig, core drilling rig, in addition to drilling tools such as DTH hammer, eccentric casing bit and wire-line core barrel.

Who is the largest drilling rig manufacturer in China?

It is the biggest exporter of drilling rigs in China, and one of the largest land drilling rig manufacturers in the world. Launched its IPO in March 2008, Honghua (HKEx 0196) became the first drilling rig manufacturer of China to go public.

What types of drilling rigs are available?

Our most popular products include a hydraulic anchor drill rig, hydraulic crawler drilling rig, water well drilling rig, core drilling rig, in addition to a variety of related drilling tools including our DTH hammer, pulling machine, eccentric casing bit and wire-line core barrel.

Where is Jinfan drilling equipment company located?

Add.: No. 221, Xi Tai Road, Mei Cun Industrial Zone, New District, Wuxi City, Jiangsu Province, P.R. China. JINFAN Drilling Equipment Company is a renowned drilling rig manufacturer and supplier in China.

What is a hgd-200 rig used for?

Our HGD-200 and HGD-300A rigs are frequently used for offshore engineering geological investigations in the South China Sea, the Huanghai Sea, and the East China Sea. They are indispensable tools for the safe and sturdy construction of crossing sea bridges, petroleum pipelines, ports, and more.

What is a Jinfan yg-80 & yg-60 anchor drilling rig used for?

Due to their reliable performance and wide range of applications, the JINFAN YG-80 and YG-60 anchor drilling rigs are often used to create holes for anchoring purposes in many key hydropower stations of China.

XITAN Technology (JIANGSU XI TEC ENVIRONMENTAL & DRILLING EQUIPMENT COMPANY CO.LTD) is an engineering machinery manufacturing enterprise, ...

By 2025, after years of technological accumulation and market refinement, China's water well drilling rig manufacturing industry will have formed a complete industrial chain and a ...

The rapid expansion of the drilling industry poses a real challenge. With numerous manufacturers providing a wide array of machinery, identifying a reliable and high-quality ...

China's Jiangshui Well Drilling Rig Manufacturers

A Hydraulic Drilling Rig is a heavy-duty machine used in the oil and gas industry for drilling wells. It utilizes hydraulic power to rotate the drill bit and apply pressure to the drilling process. These ...

Engineering Drilling Rig Supplier, Crawler Type Reverse Circulation Drilling Rig, Well Drilling Rig Manufacturers/ Suppliers - Zhangjiagang Runquan Prospecting Technology Co., Ltd.

Explore Our Products Drillrigy, a premier manufacturer of China water well drilling rigs since 1998, has long established its stature as a formidable entity in the industry. Established and thriving ...

Equipped with a variety of drill bits and accessories, it can be used for water well drilling, geotechnical exploration, mineral exploration, and even oil and gas drilling. Its robust ...

Companies are investing in advanced rig technologies that offer flexibility, efficiency, and cost-effectiveness, driving fierce competition among manufacturers to develop ...

Introducing our Multi Purpose Drilling Rig, the ultimate solution for all your drilling needs. With its versatile design and advanced technology, this rig can tackle any project, from construction to ...

The Swivel Drilling Rig is an essential part of our Water Well Drilling Rig offerings. Opting for wholesale procurement of water well drilling rigs translates to cost savings owing to lower per ...

Engineering Drilling Rig manufacturers & suppliers, China Engineering Drilling Rig manufacturers, suppliers & factory directory, find Chinese Engineering Drilling Rig manufacturers, suppliers, ...

Water well drilling rigs are crucial for tapping into groundwater resources, supporting agricultural irrigation, industrial use, and community ...

HXY-9B Spindle Core Drilling Rig has completed "the deepest drilling hole for rock gold exploration in China", with the final depth of boring hole at 4,006.17 meters and the final ...

The Automatic Drill Rig industry is expected to witness significant growth due to rising demand for efficient drilling operations, advancements in automation technology, and increasing ...

In the world, there are hundreds of player, who making the Drill Rigs from one century ago. Their drilling machine cover almost all drilling ...

This article can let you know about Unveiling China's Top 10 Best Deep Well Drilling Rig Manufacturers in 2025, learn more details at our website.

China Water well drilling rig manufacturer Zhejiang Miningwell Supply Chain Management Co., Ltd,

China's Jiangshui Well Drilling Rig Manufacturers

provides kinds of water well drilling rig machine. ...

The Water Well Drilling Rig industry is witnessing rapid growth due to increasing demand for clean water sources. However, challenges arise from limited access to remote areas, rising ...

In the global market for water drilling rigs, China stands out as a leading hub for manufacturing, offering high-quality, cost-effective solutions for industries like construction, ...

China's water well rig industry has developed over many years into a complete supply chain. Its products include various types like impact drills, ...

Find out the top drilling machine manufacturers in China and get insights into their products, services, and customer satisfaction. Choose the ...

TOP 10 China Largest Oil drilling rig manufacturer companies list As a China top oil drilling rig solids control system manufacturer: GN Solids Control now list ...

Multifunction drilling rigs are versatile machines used in various industries like construction, mining, and oil exploration. These rigs are designed to perform multiple tasks such as drilling, ...

Goodeng Machine was established in 2002. The company has production bases locating in China and Thailand and 2 overseas branch offices locating in Malaysia and India, covering a total ...

Drilling Rig Supplier, Drilling Machinery, Jet Grouting Drilling Rig Manufacturers/ Suppliers - Jiangsu Wuxi Mineral Exploration Machinery General Factory Co., ...

Explore Our Products Drillrigy, a premier manufacturer of China water well drilling rigs since 1998, has long established its stature as a formidable entity in the ...

To sum it all up: In 2025, China's water well drill rig market is no longer just about price wars. Leading companies like Hunan Guangzhou Technology Co., Ltd. ...

Drilling Rig manufacturers & suppliers, China Drilling Rig manufacturers, suppliers & factory directory, find Chinese Drilling Rig manufacturers, suppliers, factories, exporters and ...

Borr Drilling is a leading international jackup drilling contractor providing innovative and efficient offshore drilling solutions with state-of-the-art rigs.

Jujiang As 2025 comes to a close, China's water well drilling rig market is looking back on a year of major progress. A few top domestic brands really stood out, earning huge ...

China s Jiangshui Well Drilling Rig Manufacturers

Upgrade your Petroleum Machinery Parts with the elegant and durable Drilling Rig Swivel.To find reputable suppliers in China, research online platforms, attend industry exhibitions, and ...

Horizontal Directional Drilling Machine Supplier, Hydraulic Core Drilling Rigs, Water Well Drilling Rigs Manufacturers/ Suppliers - Wuxi Wastone Technology Co., Ltd.
