

Complete range of diesel powered hydraulic down-the-hole drill rig accessories

Down-the-hole drilling rigs | Choosing the right drilling rig You could need a drilling rig for a multitude of applications, for example to drill a well to access a natural resource (water, oil, ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

The KT5C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For example; oil and gas, construction ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH blasthole drilling in mining, quarry and ...

Discover high-quality drilling solutions with Sinocoredrill, a leading China manufacturer of drilling rig equipment and accessories. Our extensive range includes exploration drill rigs, surface ...

Down the hole drilling rig has a hydraulic wet dust removal system with adjustable water volume and water pressure, and water pressure alarm function. The rig ...

Multifunctional Drilling Rig - High Power, High Efficiency, Maximum Versatility Multifunctional Drilling Rig is a high-performance, multi-purpose machine designed to meet demanding drilling ...

Rotary drilling rigs are among the most sought-after drilling tools in the modern-day industry, thanks to their extreme efficiency and versatility, ranging from ...

Ranger(TM) DX800 is a hydraulic, diesel-powered, self-propelled top hammer drill rig with an ergonomic cabin and rod handling system. Typical applications are ...

We offer a complete range of down-the-hole products including hammers, bits, pipes, adapters and breakout benches. Read more and contact us here!

Top Hammer T640H surface drill rig: drills 76-115mm holes up to 20m deep, with a Cummins engine, folding boom, and 10m³/min compressor. Comes with a ...

Complete range of diesel powered hydraulic down-the-hole drill rig accessories

Down the hole drilling machine, manufactured by YG Machinery, is widely used for mining and construction. Down the hole hammer drill rig for sale!

The HFKT7D integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, It is capable of ...

Down The Hole Hammer Drill Rigs for Mining, the ZEGA D470A's diesel-powered, down-the-hole (DTH) drill has excellent mobility, a smaller footprint and the ability to serve multiple sites. It is ...

And it can use liquid and air as media to wash rock dust. The power system can adopt diesel engine or electric motor. From a practical point of view, hydraulic rig machine do have certain ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

Down-the-hole drilling rigs | Choosing the right drilling rig You could need a drilling rig for a multitude of applications, for example to drill a well to access a ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast holes and pre-splitting holes. It ...

Down the hole drilling rig is a specialized piece of equipment designed to drill deep holes into the earth's surface. DTH drilling utilizes a hammer mechanism that delivers powerful, rapid blows ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Intelligent, automated and future-proof The SmartROC D65 down-the-hole drill rig brings the future of mining within your reach today. Give your operation the chance to profit from the ...

The single engine of the drilling rig drives the screw air compressor and hydraulic system at the same time, which reduces the total power of the diesel engine of the split drilling rig by about ...

Deep Hole Diesel Hydraulic Crawler Borehole Water Well Drill ing Machine Price HW260S hydraulic down-hole drill ing rig is a multi-functional drill rig driven by internal combustion ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast ...

Complete range of diesel powered hydraulic down-the-hole drill rig accessories

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

The down-the-hole drilling rig uses the impactor and the DTH drill bits submerged into the bottom of the hole to impact and crush the rock. Therefore, it is called ...

Full hydraulic down-the-hole (DTH) drilling rig is a drilling rig for sale that uses oil pressure to drive and control all moving parts in the process of adjusting the ...

Our down-the-hole drilling rig features high drilling accuracy and efficient performance, while the service life is also guaranteed.

The reason customer want to drill the hole is that drill and blast is the most efficient and economic way to break rock instead of excavating it. ...
