

Diesel Engine Air Compressor Remanufacturing Video

Can I replace my brake compressor with a remanufactured air compressor?

Fortunately for you, HHP has you covered! Replace your brake compressor with a Remanufactured Air Compressor 3689770 from Highway and Heavy Parts. Don't risk the health of your ISX; buy high-quality aftermarket 3689770 Air Compressor from America's trusted diesel engine parts supplier.

Are Recon Air compressors remanufactured?

ReCon air compressors are completely remanufactured in a factory environment. In fact, every ReCon air compressor is totally disassembled. To assure consistent quality, all critical machining operations are computer controlled. Any part that cannot be restored to new specifications is scrapped and replaced with a new genuine Cummins part.

Does my Cummins ISX have a worn or damaged air brake compressor?

If so, your Cummins ISX may have a worn or damaged air brake compressor. As your ISX's air brake compressor wears or is damaged, it can cause all sorts of dangerous driving situations if not replaced. Fortunately for you, HHP has you covered! Replace your brake compressor with a Remanufactured Air Compressor 3689770 from Highway and Heavy Parts.

Where can I find air compressor parts for my Cummins ISX?

At Highway and Heavy Parts, you'll get a Air Compressor manufactured in an ISO 9001:2015 certified facility, ensuring quality and consistency for your Cummins ISX. Each part is crafted with hard-wearing strength and durability to ensure your 3689770 Air Compressor can withstand the rigors of the road.
