

## Disassembling the drill bit of the YT28 rock drill

YT28 AIR- LEG ROCK DRILL Applications: Most fit drilling horizontal and inclined blast holes in medium-hard rock with a hardness of  $f=8\sim 18$ . It may also be for ...

The company has more than 60 production equipment, including heat treating, grinding, machining, assembling, commissioning and etc. ALL kinds of jack hammer,drill ...

Maxdrill YT28 Hand Held Pneumatic Air Leg Rock Drill Essential Mining Machine Part Product Show Product Description Applications: Most fit drilling horizontal and inclined blast holes in ...

YT28 tapered button bits King Kong is a company dedicated to the production of mining drilling tools, specializing in providing a wide range of top hammer drill bits for various drilling ...

The air-leg rock drill is installed on the air leg for operation, and the air leg can play the role of support and propulsion, which reduces the labor intensity of ...

The YT28 is an air percussive rock drill designed for drilling in rock formations.The FY200C is an oil liner for lubrication. The FT160A is an air-leg used to support drilling equipment during ...

Product Safety Information Intended Use: Model YT28 Air Percussive Rock Drills are mainly used for tunnelling work in mines and drilling holes in medium and hard rock. They are also ...

How to use and maintenance YT28 Rock Drill In addition to the technical safety regulations for general rock drilling operations, special attention should be paid to YT28 Rock Drill: The screw ...

YT28 pusher leg drill has approved and recognized to be BEST quality and excellent performance from China, for underground tunneling The full body of drill is very stable, not like other brand ...

View and Download Atlas Copco Secoroc YT Series operator instructions manual online. Pusher Leg Rock DRILL. Secoroc YT Series drill pdf manual ...

Description YT28 Air Leg Rock Drill Most fit drilling horizontal and inclined blast holes in medium-hard rock with a hardness of  $f=8\sim 18$ . It may also be for making roof bolting holes. The drill is ...

The YT28 air leg rock drill is most suitable for dry drilling downward and inclined blast holes in medium hard and hard rock with a hardness of  $F8-18$ .An ideal ...

## Disassembling the drill bit of the YT28 rock drill

The company has more than 60 production equipment, including heat treating, grinding, machining, assembling, commissioning and etc. ALL ...

Secoroc YT28 is a heavy-duty pusher leg rock drill featuring high efficiency and low air consumption. It is primarily designed for drilling in mines, hydropower stations, and road ...

The Rukton Minerals YT28 Air Leg Rock Drill is the most modern drilling machine which uses a modern design techniques, compared with the same type of product, with high efficiency, low ...

Professional manufacturer of premium rock drilling tools SHANDIKE offer Complete Series of percussive drilling tools include extension and tunnelling ...

Construction Projects: Ideal for rock drilling operations in hydroelectric projects, highways, and railways. YT28 Pneumatic Air Leg Rock Drills Before Use: Preparation Check the air supply ...

A pusher leg rock drill is a type of pneumatic (air-power) rock drill for mining, tunneling, and other construction applications where require drilling in rock.

Description of YT28 Pneumatic rock drilling machine: The YT28 rock drill machine is a kind of high-efficiency air leg rock drill machinery. It is mainly used for ...

YT28 AIR- LEG ROCK DRILL Applications: Most fit drilling horizontal and inclined blast holes in medium-hard rock with a hardness of  $f=8\sim 18$ . It may also be for making roof bolting holes. The ...

YT28 pusher leg drill has approved and recognized to be BEST quality and excellent performance from China, for underground tunneling The full body of ...

YT28 air-leg rock drill is a new type of high-speed rock drilling machinery, mainly suitable for railway, highway, mining and other roadway excavation and ...

Perforadora YT28 Especificaciones Air Leg Rock Drill, por lo general, llamamos YT Series Rock Drill. La Perforadora YT28 siempre funciona con soporte de aire, se puede usar para cualquier ...

The YT28 air-leg rock drill is a new type of high-efficiency rock drilling machine. It is widely used in drilling blasting holes in mine tunnel excavation and various ...

Rock Drill YT28 Product Description: The Products are mainly used in construction sites, various types of mines, railways, water conservancy ...

YT28 Air-leg Rock Drill most fit for drilling horizontal and inclined blast holes in medium-hard and hard rock

## Disassembling the drill bit of the YT28 rock drill

with a hardness of  $f=8\sim 18$ . It may also be used with for making roof-bolting holes. ...
