

Down-the-hole drilling rig supporting products

Manufacturers of the Rotary Drilling Rig Machine. REL Specialized in Rotary Blast Hole Drill Rig, Down the Hole Drills for Mining, Quarrying & Construction.

KH712D open-pit down-the-hole drill adopts new hydraulic technology and is a powerful assistant for rock drilling in open-pit mining, road construction, water conservancy, power stations and ...

ZEGA TOP-HAMMER AND DOWN-THE-HOLE DRILL RIGS Introducing the ZEGA Drill Rig, the pinnacle of efficiency and precision in drilling technology. ...

The selection is competitive and encompasses top quality products for all your drill & blast as well as well-drilling applications. Robit competitive offering in Down the Hole drilling tools: ...

We're professional down the hole hammer drill rigs for mining (mines) manufacturers and suppliers in China, specialized in providing high quality products and service. We warmly ...

We have seen down-the-hole products being used in different applications all over the world. We can assist, not only with the complete drill string, but also with ...

Leading Manufacturer of Down-the-Hole (DTH) Drilling Equipment for Mining, Construction & Water Wells. Premium products at fair prices. Get a Quote Today!

We're well-known as one of the leading drill rig, anchor drill rig, rock drill rig, hammer drill rig, down the hole drill rigs manufacturers and suppliers in China.

PT Fajar Mas Murni (FMM) which is very experienced in supporting rock drilling machines now presents Down the Hole (DTH) rig drill products. Of course, ...

For efficient Down-The-Hole (DTH) drilling, you need high performing drilling tools. Tools that increase your productivity and sustainability, while reducing your total operation cost and ...

In addition to supplying your operation with the premium brand of rock tools, our range of added services and digital solutions support your drilling operations, everyday - all year round. And ...

Down-the-hole drilling pipes Down-the-hole drilling pipes are engineered with cold-drawn seamless tubing material N80 to ensure straightness, thickness and high strength for a ...

Down-the-hole drilling rig supporting products

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

Crawler type down the hole drilling rig rock drilling rig slope protection and supporting diesel moving integrated open pit mining blasting down the hole drilling rig

The Down Hole hammers and drill bits manufactured by ARC are of the world's highest quality widely used not only for underground development such as soil ...

DTH-Nova Single-use system for down the hole hammer Robit's Nova system is tailored for overburden rich in boulders. Designed for seamless integration with common down-the-hole ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

Multifunctional Drilling Rig is a high-performance, multi-purpose machine designed to meet demanding drilling needs across various terrains and applications. Capable of operating with ...

The KG9 down the hold drill rig is designed for open pit mines and quarries for drilling holes with a diameter of 105-152mm in vertical, inclined, and horizontal orientation.

Down the hole drilling machine, manufactured by YG Machinery, is widely used for mining and construction. Down the hole hammer drill rig for sale!

The company offers a full range of drilling rig products, including water well drilling rigs, core - drilling rigs, truck - mounted drilling rigs, photovoltaic drilling rigs, down - the - hole drilling rigs, ...

For efficient Down-The-Hole (DTH) drilling, you need high performing drilling tools. Tools that increase your productivity and sustainability, while reducing your total operation cost and ...

Mincon's DTH (down-the-hole) hammers are engineered to deliver outstanding drilling performance across all applications, while reducing energy ...

A Down-the-Hole (DTH) drilling rig is a type of drilling equipment that drives a pneumatic hammer directly behind the drill bit at the bottom of the hole. This method delivers powerful, high ...

In down-the-hole drilling a drill rod is fitted with a hammer at its lower end. The hammer, which is mounted on the drill bit, is activated through the addition of ...

The customer can count on our service and support, supplied by the largest, most dedicated manufacturer of

Down-the-hole drilling rig supporting products

dth drilling tools in the world. We know down hole drilling!

The DTH drilling rig (down-the-hole drilling machine) is a kind of drilling machine, which is mainly used for drilling in rock formations. The down-the-hole drilling rig uses the impactor and the ...

The KG410/KG410H down the hole drill rig is particularly suited for operation in open pit mines and stone quarries. It comes equipped with a Yuchai four-cylinder engine (China III) and ...
