What are the best air compressor accessories?

Air accessory kits are another great option, providing everything you need to get started with your air compressor. Harbor Freight Tools also has a variety of air inflators and blow guns, including digital inflators, dial gauge inflators, chuck inflators, air blow guns, air blow guns with extensions, and air blow gun kits.

Do I need a permit to use an air compressor?

Open Monday to Friday, 8:00 am to 2:30 pm. Closed on public holidays. Use the Step by Step tool to get an exhaustive list of requirements that matter to you. A permit is required for any air compressor that compresses non-flammable gas (including air) at pressures above 100 pounds per square inch (psi).

What air compressor accessories does Harbor Freight offer?

With a wide selection of air compressor accessories, including air hoses and reels, swivel whip and air hose leads, air hose repair kits, air accessory kits, and more, you can do it for less at Harbor Freight.

Do I need A FDNY permit for air compressor?

However, outdoor air compressing (other than a fair or festival) is not required a FDNY permit. The air compressor must be performed by or under the supervision of a person holding a Certificate of Fitness (A-35). This Certificate of Fitness is valid only for the specific person to whom it is issued and can be used anywhere within New York City.
