

SA-180A crawler-type full hydraulic multifunctional engineering drilling rig is a multifunctional engineering drilling rig integrating rotary jetting, anchoring, and anti-floating anchor ...

150m Deep Crawler Engineering Hydraulic Anchoring Drilling Rig for Grouting Underground Equipment, Find Details and Price about Drilling Rig Crawler Drilling Rig from 150m Deep ...

Drilling and Installation: The self-drilling hollow anchor rod, equipped with a drill bit, is driven into the soil using a drilling rig. Grouting: ...

Jet Grouting Drilling Rig SA-180A For Soft Foundation Reinforcement SA-180A crawler-type full hydraulic multifunctional high pressure rotary jet grouting ...

Rotary jet grouting drill are remarkable pieces of equipment that have a significant presence in the world of construction and engineering. A ...

Drilling Depth Max.100m Condition New Type Rotary Drilling Rig Power Type Electric Brand Name SINOGROUT Use Ore Voltage 380/660V Dimension (L*W*H) 1250*640*1265mm ...

Foundation grouting hole reinforcement engineering drilling rig Production Description Anchor drilling machine mainly used in geological hazard prevention and control of the landslide and ...

Self-drilling rock bolts have become a cornerstone in modern foundation reinforcement due to their efficiency, versatility, and ability to handle challenging geological ...

Grout pumps for drilling rig are designed for the purpose of mixing and pumping slurries of cement or bentonite-based grout during ground and underground ...

Whilst drilling, flushing grout is pumped through the hollow stem of the bar, jetting out through the drill bit and returning drill cuttings to the surface. At design depth, structural grout of a specific ...

YGL-150Q is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for vertical or ...

Short Description: This drilling rig is suitable for various industrial and civil buildings such as urban underground spaces, subways, highways, bridges, roadbeds, dam foundations, etc., including ...

Engineering Drilling Reinforcement Drilling Rig

Grouting

This lightweight crawler drill rig is a new type high efficiency and energy saving drilling equipment designed by our company. It is simple in structure, convenient in operation, safe and reliable. It ...

Drilling rig jet grouting pump flow rate can be adjusted is designed with the Italian advanced technology, and our grouting pump production ...

XL-50c Foundation Reinforcement Jet Grouting Drill Rig, Find Details and Price about Drill Rig Drilling Rig from XL-50c Foundation Reinforcement Jet Grouting Drill Rig - Hubei Xingda ...

HFWJ-200A full hydraulic crawler drilling rig is mainly used for tunnel pipe roof support holes and pilot exploration holes, anchor holes for urban deep foundation pits, perfusion reinforcement ...

Rock drilling rig Ungrouped Hot Products ZLJ-350 2025Hot Sale 150 m Small Grouting Reinforcement Drilling Rig Water Well Drill Machine GK-200 2025 Hot Sale 200m High ...

ZLJ-350 grouting reinforcement drilling rig is mainly used for grouting reinforcement drilling at different angles in underground mine, tunnel, subway and slope support. The drilling rig adopts ...

Geotechnical Engineering Drilling Rig Manufacturer Songte SA-180A Foundation Grouting Reinforcement Rig Ground Improvement Grouting Rig, Find Details and Price about Jet ...

ZLJ-1200 grouting reinforcement drill is mainly used for grouting reinforcement drilling at different angles in mine, tunnel, subway and slope support. The drill adopts mechanical transmission ...

Enhance your construction projects with reliable and efficient grouting drilling machine, designed to boost productivity and ensure safety. Ideal for global buyers seeking versatile solutions.

Drilling rig jet grouting pump flow rate can be adjusted is designed with the Italian advanced technology, and our grouting pump production experience for many years. The ...

We Offer Rock Anchoring, Rock Anchoring, Soil Anchoring, Prestressed Rock Anchors, Prestressed Structures Rock Anchors, Piling, Micro Piling, Piling Foundation, Rotary Piling, ...

In the world of geotechnical engineering, grouting plays a pivotal role in the successful installation of self-drilling anchor systems. Unlike ...

Zhengzhou Yugong Engineering Machinery Co., Ltd. has 17 years of professional production of anchor drilling rigs. YG mainly sales anchor drilling rig, DTH drilling rig, water well drilling rig, ...

YG's high-pressure jet grouting drilling rig is designed for foundation reinforcement, anti-seepage curtain,

Engineering Drilling Reinforcement Drilling Rig

Grouting

foundation pit support, and other projects under complex geological conditions. From ...

XL-50c Civil Building Foundation Reinforcement Jet Grouting Drill Rig, Find Details and Price about Drill Rig Drilling Rigs from XL-50c Civil Building Foundation Reinforcement Jet Grouting ...

Portable drilling rig Water well drilling rig pipes and bit Engineering drilling rig Pneumatic drilling machine Rock drilling rig Ungrouped Hot Products ZLJ-350 2025Hot Sale 150 m Small ...
