

Engineering Drilling Rig xy 4

We are Engineering Drilling Rig manufacturer & provide XY-4-3A Engineering Drilling Rig, Core Drilling Rigs For Engineering Survey - Jiangsu Wuxi Mineral Exploration Machinery General ...

XY-2 Geological Drilling Rig Machine for the general exploration and investigation of solid mineral deposit, engineering geotectonic survey and concrete ...

XY-4 spindle type core drill rig Details I. General XY-4 Core Drill can be driven by Deutz F4L 912 diesel engine or 30KW electric motor. The drill has 8 rotary speed stage, the Max, speed 1588 ...

Coring and exploration drilling rig, type XY-44 adopts the mechanism of mechanical transmission, vertical rotating and hydraulic feeding. It is used in ...

Xy-4-3A Core Drilling Rigs for Engineering Survey, Find Details and Price about Drilling Rig Drilling Machine from Xy-4-3A Core Drilling Rigs for Engineering ...

1.The drill can be mainly in application of foundation piles construction in small diameter for grouting pile holes drilling of high building, port and bridge, etc.2 angled different ...

XY-4 Core Drill is a new type high speed diamond core drill designed according to the development of geological work in China and developed to meet the ...

Engineering Soil Sampling Drilling Rig with 1000m Deep Xy-4, Find Details and Price about Core Drilling Machine Core Drill Rig from Engineering Soil ...

The XY-2 core drilling rig with a vertical spindle is ideal for geological survey and exploration, road and high-rise building foundation exploration, water well drilling and other applications. It ...

We are Engineering Drilling Rig manufacturer & provide XY-4-3A Engineering Drill Rig Reverse Circulation, Skid Mounted Drilling Rig - Jiangsu Wuxi Mineral Exploration Machinery General ...

Engineering Soil Sampling Drilling Rig with 1000m Deep Xy-4, Find Details and Price about Core Drilling Machine Core Drill Rig from Engineering Soil Sampling Drilling Rig with 1000m Deep ...

The XY-4 drilling rig is a mechanical transmission hydraulic feed core drilling rig that can drill 1000 meters of holes with a 42mm drill rod. Mainly used for diamond and alloy drilling of solid ...

XY-4 core drill rig is mainly adapted to suit mineral with diamond bit or tungsten-carbide tipped bit. It can

Engineering Drilling Rig xy 4

also be used for engineering geology and groundwater exploration and shallow layer oil ...

XY-4 CORE DRILLING RIG I. General XY-4 Core Drill is a new type high speed diamond core drill, designed according to the development of geological work in China and developed to ...

Bulkbuy Engineering Soil Sampling Drilling Rig with 1000m Deep Xy-4 price comparison, get China Engineering Soil Sampling Drilling Rig with 1000m Deep Xy-4 price comparison from ...

The XY-4 drilling rig is a medium-shallow core drilling rig. It can be used for carbide drilling, engineering geological exploration, hydrological shallow liquid ...

China Four Hundred Meters Depth Engineering Drilling Rig Xy-2 Mining Blasting, Find details about China Engineering Drilling Rig from Four Hundred Meters Depth Engineering Drilling Rig ...

It has been widely applied to the drilling operation of energy survey, highway/railway construction, hydropower engineering, civil engineering, etc. Features: 1. The drill rig is characterized by ...

XY-1A core drilling rig is applicable to the general survey and exploration of solid deposits, engineering geological exploration and other drilling holes, as well as various concrete ...

The main products include XY-series core drills, which are applied in solid mine bed exploration drilling with the depth of 100-4200 meters (328-13776 feet), engineering geological exploration, ...

XY-44 drilling rig is suitable for industrial, civil construction and engineering geological survey work such as highways, railways, bridge foundations, dam sites, water conservancy, water ...

Introduction: XY-4 core drilling rig is suitable for drilling solid mineral diamond and cemented carbide. It is also used in engineering geology, under-water exploration, superficial-layer oil ...

Adhering to your tenet of "quality very first, client supreme" for Xy-4-5 Spindle Rotatory Engineering Drilling Rig/Micro Piling Machine. We actively carry out systematic training to ...

High quality Four Hundred Meters Depth Engineering Drilling Rig Xy-2 Mining Blasting from China, China's leading four hundred meters engineering drilling rig product, with ...

XY-4 Portable core drilling rig XY-4 core drill rig is mainly adapted to suit mineral with diamond bit or tungsten-carbide tipped bit. It can also be used for engineering geology and groundwater ...

Xy-4-5 Spindle Rotatory Engineering Drilling Rig/Micro Piling Machine, Find Details and Price about Core Drilling Rig Drilling Machine from Xy-4-5 Spindle ...

Engineering Drilling Rig xy 4

XY-4-5 drilling rig is a construction drilling rig with mechanical transmission and hydraulic feeding system. It is used in middle and small diameter pile drilling for buildings, port, dam, bridge and ...

We are Core Drilling Rig manufacturer & provide XY-4-3A Engineering Drilling Rig, Core Drilling Rigs For Engineering Survey - Jiangsu Wuxi Mineral Exploration Machinery General Factory ...

XY-4 wireline drilling rig can be also applied to engineering geological subterranean water explorations as well as explorations of shallow oil and natural gas. What's more, it can be used ...
