

Ethiopia anchor engineering drilling rig customization factory

AK80 anchoring drilling rig is a complete hydraulic power head machine. The engineering drilling rig applies to the construction of big tonnage stress anchoring hole for water power station, ...

The MGL-50 anchor engineering drilling rig is a mechanical power head type, hydraulic feed type engineering drilling rig, which has the characteristics of long drilling range, large drilling ...

RCA-40E borehole anchor drilling rig is mainly used for slip wave treatment engineering in railways, highways, water conservancy, and hydropower ...

Product Introduction The machine is a light, efficient, multi-functional diesel hydraulic drilling rig, easy to use, short auxiliary time and other characteristics, suitable for drilling, monitoring Wells ...

Water Well Drilling House of Integrated Solutions Tana Drilling and Industries" Water Well Drilling As innovators in the water well drilling industry in Ethiopia, ...

Main drilling methods: conventional drilling with down the hole hammer, alloy drilling, and spiral drilling. **Specification** Produce name Anchor drilling rig brand GUO XIN Place of Origin He bei ...

About: Alula water well drilling is a privately owned company based in Addis Ababa Ethiopia. They engage in water well drilling, water construction, general electro mechanical work and supply ...

This anchor engineering drilling rig is especially designed to be used on steep slopes and embankments. The slope drill rig adopts our latest group technology and new hydraulic ...

Need reliable anchor drilling rig suppliers for construction projects? Discover verified manufacturers offering hydraulic, crawler-mounted rigs for geotechnical engineering. Click to ...

You can contact us by email at sales@machinesequipments for reliable Drilling Rig Equipments supplier, we are well-known for our world-class Drilling Rig Equipments and one ...

Product Description MD-50 Anchor Engineering Drilling Rig MD-50 Anchor Engineering Drill Rig possesses the characteristics of stable performance, high working efficiency, multiply usage, ...

The mainframe can rotate within 360°, and intensive drilling operations can be realized within a certain range. The anchor rig has a high drilling efficiency and moderate fuel consumption, ...

Ethiopia anchor engineering drilling rig customization factory

Looking for engineering drilling rigs factory direct sale? You can buy factory price engineering drilling rigs from a great list of reliable China engineering drilling rigs manufacturers, suppliers, ...

Hydro is one of the leading Water Well Drilling and Water Works Construction Company based in Ethiopia. This Company was initially instituted in Nigeria in the year 1980 as a water well ...

In a short span of 34 years, Drilltech Engineers Private Limited, today is a leading company in Piling Foundation, Engineering, and Infrastructure Development ...

Our company, leader and pathfinder of the sector, since 1921 manufactures and develops drilling rigs more and more efficient and competitive on a quality level.

Feature highlights: The MGL-50 Mini Anchor Rod Drilling Rig is a hydraulic feed engineering rig with a long drilling range (30-60m), large drilling capacity (110-180mm diameter), and 0-360°; ...

Factory Price Slope Anchor Engineering Drilling Rig Application AK-80 construction Anchor Drilling rig is a full hydraulic operated top drive power ...

Anchor Construction Engineering Drilling Rig Machine, Find Details and Price about Drilling Rig Machine Drill Machine from Anchor Construction ...

We Taian Longye Import And Export Trade Co.,Ltd is an integrated set of manufacturing and export company with ShanDong LongYe Machinery ...

Hydraulic rock anchor engineering drilling rig has high drilling efficiency, easy maintenance, high reliability, better use for mining, highway, water conservancy, power station construction and ...

China leading provider of Anchor Drilling Rig and Tunnel Drilling Rig, Sichuan Zuanshen Intelligent Machinery Manufacturing Co., Ltd. is Tunnel Drilling Rig ...

G6 trading mission is to significantly increase the quality of work and expertise in the water sector in Ethiopia through professional engineering services and innovative products.

It is typically applicable to anchoring engineering of coast and dangerous rock or cliff for geological disaster prevention activities. With ten years' production experience, our anchor ...

We're professional anchor drilling machine manufacturers and suppliers in China, specialized in providing high quality custom products. We warmly welcome you to buy the best anchor ...

Waheen Drilling Company is a leading provider of deep well drilling, water supply system construction, and

Ethiopia anchor engineering drilling rig customization factory

electromechanical installation services. Our company is registered as Water ...

Summary Anchor Foundation Specialist PLC is a leading construction firm based in Addis Ababa, Ethiopia. This company specializes in foundation engineering ...

Zelalem Industrial and Construction Machinery and Motor Sales, zelalem bio Medical Treading and Engineering, Pacific Water Well Drilling and Engineering is a leading general trading ...

We're well-known as one of the leading anchor drilling rig manufacturers and suppliers in China. Please feel free to buy the best anchor drilling rig for sale here from our factory. All custom ...
