

# French Kaishan 140 down-the-hole drill rig

KT11 down the hole drilling machine drills  $\varnothing$ 115-152mm vertical, inclined and horizontal hole for open-pit mines and stonework project.

KG520 Down The Hole Drill Rig KG520 folding frame track and four wheel drive are adopted; Add track leveling cylinders and the plunger piston tramming motor improves the working pressure ...

Integrated Surface DTH Drilling Rig, KT15 Down-the-hole drill rig for open-pit mining This machine is produced based on our company's years of drilling-rig-making experiences, which is ...

KT25 integrated surface DTH drilling rig is a new drilling device which is carefully designed for large open-pit mine based on our development and production of DTH drilling rigs for many ...

KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes.

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

The KG9 down the hold drill rig is designed for open pit mines and quarries for drilling holes with a diameter of  $\varnothing$ 105-152mm in vertical, inclined, and horizontal orientation.

KG920 Down The Hole Drill Rig KG920 expanded pitch and lifting arm hydraulic cylinder enable it to meet the requirements of limiting position use. Meanwhile, the hydraulic system is ...

The KG410/KG410H down the hole drill rig is particularly suited for operation in open pit mines and stone quarries. It comes equipped with a Yuchai four-cylinder engine (China III) and ...

The KG726III/KG726HIII down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai engine, the ...

## French Kaishan 140 down-the-hole drill rig

As a manufacturer of DTH drilling rigs, we provide this KT15C integrated down-the-hole drill rig for open use. It can drill vertical, inclined and horizontal holes, ...

Applications The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework blast holes and pre-splitting ...

The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...

Our integrated surface down-the-hole drilling rig is equipped with a powerful engine that enables operators to maximize productivity.

Kaishan KT11 integrated surface DTH drilling rig drives both the hydraulic system and high pressure screw compression system with a power and has function modules, including auto ...

Categories: All Products, Kaishan Drilling Rigs Description: The ZT5 integrated open-air DTH drilling rig is an advanced equipment featuring an automatic rod-changing system and ...

Integrated Surface DTH Drilling Rig, KT15 Down-the-hole drill rig for open-pit mining This machine is produced based on our company's years of drilling-rig ...

ZT10 Integrated Down the hole Drill Rig for Open Use The ZT10 integrated down the hole drill rig for open use is an advanced piece of drilling equipment developed by Kaishan Group to meet ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...

Zhejiang Kaishan Heavy Industry, part of Kaishan Group, manufactures advanced drilling equipment for mining, military, and construction. We offer safe, efficient, and customized ...

Kaishan KT15C DTH blast hole rig has high-capacity rock drilling in quarries, opencast mines & construction. Great usability, efficient rig operation.

Kaishan KT15C blast hole drilling rig delivers fast, powerful drilling for mining and construction, operating reliably in extreme climates. Contact us now!

The Kaishan KT15 high pressure integrated drilling rig is specially designed as a high efficiency mining machine for large scale open-pit mines based on our years of experience designing ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes,

## French Kaishan 140 down-the-hole drill rig

mainly used for open-pit mine, stonework blast ...

Integrated Surface DTH Drilling Rig, KT12 Down-the-hole drill rig for open-pit mining This machine is powered by a two-terminal engine that meets China ...

Our team of experienced engineers and customer personnel is available 24 hours a day to help you find the right equipment for your drilling applications. ...

kaishan dth drilling rigs are designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Call us for a FREE quote now!

The KT25 integrated down the hole drill rig for open use can drilling vertical,inclined and horizontal holes,mainly used for open-pit mine,stonework ...

KG420S Down The Hole Drill Rig KG420S folding frame track and four wheel drive are adopted; Add track leveling cylinders and the plunger piston tramming motor improves the working ...
