

Handheld down-the-hole drilling rig equipment

Buy the portable DTH drilling machine from YG, which is a high-efficiency down-the-hole drill rig. Click here to know the DTH machine price.

Our Geoprobe® 420M portable drilling rig was designed specifically to be durable yet as lightweight as possible. Call: 1 (888) 240-4328 for pricing and ORDER ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include augering and down-the-hole rigs. Typically these are mounted onto ...

Description: LPD100H Portable DTH drilling machine is hydraulic technology, reasonable configuration, low price and low fuel consumption, it is an ideal DTH drilling rig for all handy ...

The piston directly impacts the drill bit and continues to advance as the drilling extends. So the DTH drilling machine got its name from the bottom of the ...

A portable DTH boring machine is professional drilling equipment. YG can provide you with great, efficient, and durable down-the-hole drills.

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

Boremaster Drilling Rig The rig has successfully drilled up to 80m-100m in Mozambique with no reported problems. The rig can do mud pump drilling and percussion drilling. If you are doing ...

We take this experience, our material know-how, and the finest simulation equipment to the lab - to develop the most effective rock drilling tools ...

The Small DTH (Down The Hole) Drilling Rig is a compact, mobile drilling machine designed for drilling deep and precise holes in a variety of geological conditions. These rigs are particularly ...

Rock Tools: Underground Whether a mining operation is in the development or production stage, the right equipment is critical. Boart Longyear designs and ...

The down-the-hole drilling rig uses the impactor and the DTH drill bits submerged into the bottom of the hole to impact and crush the rock. Therefore, it is called down-the-hole drilling machine ...

Handheld down-the-hole drilling rig equipment

The HPE drilling rigs for ore pass development (up to 55 m), drilling of drain holes (up to 140 m) and reefboring (up to 30 m) use water operated DTH hammer technology. Holes are drilled ...

The MR-5 ID is a hydraulic drilling unit for using 2" or 3" down-the-hole hammer, or rock drill weighing 58 kg with separate right and left rotation, provided with ...

Portable DTH Drill is an efficient and widely applicable drilling equipment, widely used in small and medium-sized mines and transportation projects, especially for uneven ...

The piston directly impacts the drill bit and continues to advance as the drilling extends. So the DTH drilling machine got its name from the bottom of the impactor DTH. In the drilling rig, the ...

YG Small DTH Drilling Machine DTH (Down-the-Hole) drilling technology places the hammer right behind the drill bit at the bottom of the hole. Instead of losing energy along the drill pipe, you ...

The MR-2 PN is a portable pneumatic drilling rig able to operate on slope and steep terrain. Its tubular structure with wide base and an option for sled or ...

Portable DTH Drilling Machine The small bracket-type down-the-hole drilling rig is a bracket-type drilling equipment driven by a pneumatic motor to rotate and is ...

The FP-160-AA Portable Drilling Rig is designed to drill down for diamond drilling as well as core sampling. This model is designed to be easily disassembled, ...

Our Pneumatic Rock Drills Dominate The Air Rock Drill Market. Air Rock Drills Are Well Built, Durable And Powerful For Exploration Drilling. Get A Quote.

The small down the hole drilling rig offers hybrid motor-air performance, designed for efficient rock drilling in tight or steep areas. Click!

Portable well drilling rig is a compact, mobile unit designed to bore holes into the ground to access underground water sources. Unlike conventional rigs, these ...

The reason customer want to drill the hole is that drill and blast is the most efficient and economic way to break rock instead of excavating it. ...

The down-the-hole drilling rig uses the impactor and the DTH drill bits submerged into the bottom of the hole to impact and crush the rock. Therefore, it is called ...

Down-the-hole drill DTH drill tool operated with drilling mud (Drillstar MUDHammer) A down-the-hole

Handheld down-the-hole drilling rig equipment

drill, usually called DTH by most professionals, is basically a jackhammer screwed on the ...

Down the hole drilling machine is known as a portable drilling rig or tripod drilling rig. There is a variety of models for DTH drilling machines for sale in YG Machinery. The equipment mainly ...
