

Hengshui Engineering Drilling Rig Customization

What is a core drilling rig used for?

The core drilling rig is mainly used for general survey and exploration of metal and non-metal solid minerals; also used for engineering geological survey, hydrogeological survey, general survey and exploration of oil and gas fields, and water well drilling. One-to-one customized drilling rig, unique design and unique fit for you.

Who is HJI group?

HJi Group is a comprehensive enterprise registered and approved by relevant national departments, focusing on drilling rigs, integrating design, production, sales, scientific research, and trade, and focusing on the production of water well drilling rigs/core drilling rigs. "Post-Chinese New Year: Embrace Happiness as You Begin Your Work Week!"

How to choose a water well drilling rig?

For water well drilling rigs, the general requirements are simple configuration, low energy consumption, easy operation, high mobility, multifunctionality, and small size. In practical application, the drilling rig must be selected according to the stratum, drilling diameter, and drilling depth as well as the drilling method. Always can do better!

Can a truck mounted water drilling rig do better?

ALWAYS CAN DO BETTER! Capable Of Producing Trailer /Tractor /Truck Mounted Water Drilling Rig. ALWAYS CAN DO BETTER! Customize Your Own Drilling. Paired with an air compressor to work as a complete set, the drilling speed and efficiency are fast.

JUDALAI is a professional supplier of oil and gas engineering technology services. We provide a portfolio of drilling devices from drilling hoses and diverters to BOP, choke and kill manifolds ...

Top 10 China Hebei Hengshui Yinli Rotary Drilling Rig Hose Vibrator Hose Application: Suitable for hydraulic fluids, such as hydraulic oil, fuel oil, lubricants, emulsion, glycol and water.

Rotary Drilling Rig Supplier, Engineering Drilling Rig, Used Rotary Dig Drill Manufacturers/ Suppliers - Anhui Yingxie Basic Engineering Co., Ltd.

Buy low price Xy-2 Geotechnical Engineering Survey Geological Exploration Hydraulic Core Drilling Machine by Hengshui Aoxing Metal Products Co., Ltd, a leading supplier from China. ...

Our company specializes in the production of water well drilling rigs (rotary table, power head), which can meet the requirements of technology: 1 positive mud ...

Hengshui Engineering Drilling Rig Customization

Product name Hydraulic Core Drilling Rig for Engineering Geological Survey Drilling diameter 60-130 mm
Drilling depth 30-180 m Diesel Engine Model 1115 Electric Motor YE3-160L-4 ...

Featured projects Drilling contractors turn to Veristic when they want a new drilling rig customized just the way they want. Look below to see some of our ...

The core drilling rig is mainly used for general survey and exploration of metal and non-metal solid minerals; also used for engineering geological survey, hydrogeological survey, ...

Operating since 2006 Hengshui Qijia Engineering Materials Co. Ltd was founded in 2006 and is located at No.18, Xiangsu Road, North Industrial Base, Taocheng District, Hengshui City. We ...

The focus on drilling work, the flow of information between customer manufacturer and the use of up-to-date engineering technology have all helped make our ...

FlexRig®; Fleet Solutions FlexRig®; Fleet Solutions A revolution in rig design More than 20 years ago, H& P pushed the industry further through the development ...

Product Profile YDX-300 surface core drilling rig is one kind of hydraulic top drive rotary head type drilling rig which is mainly used in diameter diamond drilling of metal and nonmetal solid ...

Horizontal Directional Tunnel Drilling Rig for Engineering, Find Details and Price about Drilling Rig Drilling Machine from Horizontal Directional Tunnel Drilling Rig for Engineering - Shijiazhuang ...

Custom Oil and Gas Rigs Further Info Download Custom Design PDF Custom-Built Drilling Rig Systems Entro Industries has provided critical engineering design and support services for ...

For more than 27 years, Loadmaster* companies have been at the forefront of rig design, development, and manufacturing of some of the most innovative, versatile, and cost-efficient ...

We're professional hydraulic crawler engineering drilling rig manufacturers and suppliers in China, specialized in providing high quality custom products. We ...

Hengshui Judalai Oil and gas Engineering Technology Services Co., LTD Products BOP series Surface BOP control device High and low pressure flange series High and low pressure hose ...

Wuxi AnTian Company, a construction machinery manufacture integrates of drilling machine researching, producing, service, sales and R& D, ...

The core drilling rig is mainly used for general survey and exploration of metal and non-metal solid minerals;

Hengshui Engineering Drilling Rig Customization

also used for engineering ...

Featured Products Product Details 1.Full hydraulic crawler type rotary drilling rig adopt pressurized drilling mode, enabling rotary drilling depth is 5~50m. matching the different ...

Hengshui Aoxing Geological Equipment Co., Ltd has over 10 years of market experience and is a manufacturer and supplier of grouting and drilling materials in the fields of water conservancy, ...

Beijing BOMCO · Introduction Beijing BOMCO Offshore Petroleum Engineering Technology Co., Ltd. (BOMCOBJ), with previous name BOMCO ...

Geotechnical investigation core drilling rig with auto spt hammer Soil Investigation with RDS Drilling Rig Manufacturing Advantages of Mini Portable Soil Investigation Drilling ...

Drilling Rig Repair or Upgrades Guice Oilfield works on an average of 250 rigs per year, and we are able to have experts on location anywhere in the lower 48 within 24 hours to keep your ...

ZJ-50 anchor engineering drilling rig is a fully hydraulic driven power head drilling rig. It is suitable for the construction of large-tonnage prestressed anchoring holes, drainage holes, tunnel ...

Learn about our factory Dongheng specializes in the research, development, and manufacture of various drilling rigs and their accessories, offering a comprehensive product line. Deeply ...

About Us About Us Hengshui Aoxing Metal Products Co., Ltd. has over 10 years of market experience and is a manufacturer and supplier of grouting and drilling materials in the fields of ...

Mats of rig floor we manufactured mainly used in oilfield, engineering construction,etc. The rig floor mat is made of Polyurethane (PU) Rubber + Steel Nails. Compared to other common ...

Water Well Drilling Rig from Hengshui Aoxing Geological Equipment Co., Ltd. Buy High Quality Water Well Drilling Rig from China Manufacturer on Ecer

Company Profile Hengshui Aoxing Geological Equipment Co., Ltd has over 10 years of market experience and is a manufacturer and supplier of grouting and ...

Buy low price Small Portable Geotechnical Gasoline Core Drilling Rig (xy-50a) by Hengshui Aoxing Metal Products Co., Ltd, a leading supplier from China. 321 similar products are also ...

Geotechnical Drilling Capabilities Tierra owns and operates one of the largest and modern geotechnical drilling operations in the State of Florida. Tierra's drilling ...
