

Hengwang 50L Exploration Water Well Drilling Rig

Who is Shandong hengwang group?

Website of Shandong Hengwang Group Privacy Policy Jining Hengwang Mining Machinery Co., Ltd. is one of the toppest Drilling Rig Machinery, Piling Machinery in China. During these years of exporting, our company now has rich experience in the worldwide markets.

How much power does a hydraulic core drill rig use?

Hydraulic Core Drill Rig HW-160YY View DetailsGet a Quote Drilling depth: 160m Drilling diameter: 75~300mm Power: 13.2kW Hydraulic Core Drill Rig HW-190YY View DetailsGet a Quote Drilling depth: 190m Drilling diameter: 75~300mm Power: 13.2kW

How do I contact Shandong hengwang group?

Contacts +86-13583772623intl@hengwang.cn Copyright © 2025 Shandong Hengwang Group Co.,Ltd. All rights reserved. Privacy PolicySitemap

How do I contact hengwang after-sales service?

After-sales Service Contacts +86-13583772623intl@hengwang.cn Copyright © 2025 Shandong Hengwang Group Co.,Ltd. All rights reserved.

When will hengwang group appear at aimex 2023?

Adhering to the development strategy of the Belt and Road initiative,fromSeptember 5 to 7,2023,Hengwang Group will appear at the 2023 AIMEX Australia Asia-Pacific International Engineering and Mining Exhibition at the Sydney Olympic Park ... Simply complete the form below and a Hengwang product expert will contact you shortly.

Product Details Hengwang Pneumatic Drilling Rig Series HQZ pneumatic water well drilling rig is a lightweight, efficient and multifunctional drilling equipment is suitable for industrial, civil ...

Contact Jining Hengwang Mining Machinery Co., Ltd. Headquarters: 24/F, Block C, Haineng E-commerce Industrial Park, No. 4 Jinyu West Road, Rencheng District, Jining City, Shandong ...

Hengwang water well rig is a specialized and professional equipment designed specifically for drilling water wells. It is primarily used for industrial drilling, low-temperature drilling, and ...

Engine Power: 55KW Drilling Diameter: 1100-2000mm Drilling Depth: 2.6M View detail HW910 Separated DTH Surface Drill Rig Rated Power: 50Kw Drill Diameter: 90-110 mm Weight: 3260 ...

HWDL-500 pneumatic water well drilling rig is a lightweight, efficient and multifunctional drilling equipment

Hengwang 50L Exploration Water Well Drilling Rig

uitable for industrial, civil drilling and ...

HW5/280 pneumatic water well drilling rig is a lightweight, efficient and multifunctional drilling equipment. Suitable for industrial, civil drilling and geothermal drilling projects. The main ...

News Hengwang News Industry News Product knowledge Business Scope Geological Exploration and Surveying Construction and Infrastructure Development Oil and Gas ...

HWDL-350 series drilling rig is a high-efficiency and multi-functional drilling equipment, mainly suitable for drilling wells, agricultural irrigation wells, geothermal air conditioning holes and ...

Hengwang Group hydraulic drilling rig is a professional water well drilling equipment, mainly used for industrial drilling, low temperature drilling and agricultural drilling. Wireline coring rigs can ...

Jining Hengwang Mining Machinery Co., Ltd. is one of the toppest Drilling Rig Machinery, Piling Machinery in China. During these years of exporting, our company now has rich experience in ...

Products Hengwang Group offers a wide range of water well drilling rigs, exploration drilling rigs, rock drilling rigs, piling rigs and other piling drilling equipment.

Among these, the drilling equipment ranks at the forefront of the industry, with an increasing market share in the excavator sector. Hengwang is actively expanding into overseas markets, ...

These cover more than 40 categories, such as excavators, bulldozers, drilling machinery, new energy photovoltaic pile drivers, road rollers, and tracked transport vehicles. Among these, the ...

Machine-locked rod rotary rigs Drilling Depth: 35m Drilling Diameter: 1800mm Rated Power: 153Kw View detail HWH380D Guardrail Pile Driver Power Head Model: 85# Engine Power: ...

HW-135D crawler high-lift anchor drilling rig is a high-efficiency drilling rig developed based on domestic subways, high-rise buildings, airports, ground source heat pumps and other deep ...

Product Details 1. The hydraulic system of the excavator is used for the drilling and slag removal of the Hengwang excavation and modification rock drill. The air compressor for slag removal is ...

Product details The Hengwang Water Well Drilling Rig is a robust rotary drilling solution designed for versatile applications in construction, mining, and water resource exploration. Equipped ...

HW935 Integrated DTH Surface Drill Rig Rated Power: 162kW Propulsion: 7.5kN Drill Diameter: 90-127 mm View detail HW-UP45 Underground Crawler Mounted DTH Drill Rig Rated Power: ...

Hengwang 50L Exploration Water Well Drilling Rig

2.Crawler type chassis for improved off-road performance. HQZ pneumatic water well drilling rig is a lightweight, efficient and multifunctional drilling equipment ...

2.Crawler type chassis for improved off-road performance. HQZ pneumatic water well drilling is a lightweight, efficient and multifunctional drilling equipment is suitable for industrial, civil ...

With the strength of R & D and leading in technology, Hengwang relies on technological innovation, guided by market development and customer needs, to continuously develop ...

Geological Exploration and Surveying Construction and Infrastructure Development Oil and Gas Exploration and Extraction Mining and Resource Extraction Marine and Offshore Construction ...

Hengwang water well drilling rigs are designed to be durable and highly reliable to provide safe and efficient work in some of the most challenging environments in the world. The rig is ...

HW-180L is a sturdy and durable water well drilling rig suitable for medium and deep drilling. Mud rotation, DTH hammer and submerged reverse circulation drilling methods can be used.

HQZ pneumatic water well drilling rig is a lightweight, efficient and multifunctional drilling equipment is suitable for industrial, civil drilling and geothermal drilling projects.

Crawler anchor drilling rig is a new type of highly efficient and fast mechanized hydraulic operation drilling equipment independently developed and manufactured by our company. The drilling rig ...

HWDL-500 pneumatic water well drilling rig is a lightweight, efficient and multifunctional drilling equipment itable for industrial, civil drilling and geothermal drilling projects.

Shandong Hengwang Group Co., Ltd. is one of the toppest Drilling Rig Machinery, Piling Machinery in China. During these years of exporting, our company now has rich experience in ...

2. Hengwang water well drilling rig is specially designed for the perfect match between the engine and the hydraulic system, which improves performance and reduces fuel consumption by 7%; ...
