AIR COMPRESSORS ELGi is a complete compressed air solutions provider with a portfolio of 400+ air compressor products to suit your requirements. ELGi manufactures a wide range of ...

Our oil-free air compressors cover a wide range of rotary screw and tooth, centrifugal, piston, water-injected and scroll compressors. An oil-free solution for every application

There are two types of rotary screw air compressors: Oil-free or dry screw compressors Oil-lubricated screw compressors In oil-lubricated screw ...

What is a Rotary Screw Compressor? Simple in design, yet precision engineered to deliver with great efficiency, rotary screw air compressors are the mainstays of the industrial world. As one ...

Conclusion Oil-free screw air compressors, with their high efficiency, energy-saving, and clean characteristics, have become essential ...

In modern industrial production, compressed air is an important power source and is widely used in various industries. As a compressed air generating device, ...

Explore the advantages of rotary screw compressors: reliability, 100% duty cycle, low noise, energy savings, and more. Find the right compressor for your ...

Oil-free compressors operate at much higher temperatures than oil-injected compressors, with zero contact between the rotors and no cooling oil in the rotor chamber to seal the clearance ...

The AQ water-injected screw compressors meet your need for pure oil-free air. They deliver best-in-class energy efficiency for applications that demand reliability and purity.

Discover the benefits of oil-free screw compressor for your business. Enjoy clean, reliable air with lower maintenance costs, energy efficiency, and quieter operation. Find the ...

Abstract Twin-screw compressors are widely used in industry, especially in compressed air, refrigeration, air-conditioning and process gas which consume a significant ...

ELGi's oil free multi-stage air compressors are reliable & energy efficient, designed for all industrial applications with best-in-class warranty.

The WisAIR range offers reliable oil-free screw compressors that deliver clean and efficient air for
