

Huanghai Core Drilling Rig Official Website

Who is Huanghai Machinery Corp?

Huanghai machinery corp is a manufacturer who designs and produces geological exploration equipments(like drill rigs),coal bed methane equipments (like CBM drill rig),engineering foundation equipments and horizontal directional pipe construction equipments (like HDD drill rig) as well as their drilling tools.

Who is Jiangsu Lianyungang Huanghai machinery?

Jiangsu Lianyungang Huanghai Machinery Co. Ltd. is a key drilling rig manufacturer and designer of geological drilling rig, engineering piling drilling rig and horizontal directional drilling rig (HDD), and other geological survey equipments in China. EnglishRussianSpanishFrenchPortuguese Lianyungang Huanghai Machinery Co., Ltd.

What is spindle core drill rig?

Spindle core drill rig makes use of rotary action of drill bit to cut and crush rocks. It is particularly suitable for engineering geological investigation for construction of railways,bridges,... XY-2 core drilling is a new drilling rig developed to meet the increasing demand of both the users and the development of geological industry.

What is xy-2 core drilling?

XY-2 core drilling is a new drilling rigdeveloped to meet the increasing demand of both the users and the development of geological industry. It is applied to geological engineering,hydro-geology...

What is hxy-8 spindle type drill rig?

The HXY-8 spindle type core drilling rig is hydraulic-fed equipped with hydraulic brake. And its hoister is in horizontal arrangement. It is mechanical transmission and spindle rotation.... Trailer mounted drill rig XY-42 is a new product manufactured by our customer's demand.

Who is hh drill-Tech drilling machinery?

H.H. Drill-Tech Drilling Machinery Co.,Ltd. is a hi-tech enterprise specializing in design and manufacture geotechnical drilling equipment in China.

Huanghai Machinery is the professional supplier of most geological survey equipment, such as different types of drilling rig, drilling rod, drilling derricks and so on. Recently, we can supply ...

Lianyungang Huanghai Machinery Co., Ltd. is a manufacturer who designs and produces geological exploration equipments, coal bad methane equipments, engineering foundation ...

The full hydraulic power head core drilling rig with wire line coring diamond drilling technology has become

the leading model for solid deposit exploration in developed countries, and also the ...

The HYDX-4 hydraulic core drilling rig of full hydraulic and rotator adopted the technology of wire-line coring, has been the dominant type rig for solid mineral ...

Lianyungang Huanghai Machinery Co., Ltd. is a manufacturer who designs and produces geological exploration equipments, coal bad methane equipments, ...

H.H. Drill-Tech Drilling Machinery Co., Ltd. is a National hi-tech enterprise specializing in design and manufacture geotechnical drilling equipment in ...

Full hydraulic core drilling rig is a diamond or hard-metal drilling rig. It is a multi-functional, highly capable drilling rig which can accomplish wire line coring and top drive drilling. The full ...

China manufacturer of core drilling rig, HDD rig, See info for all products/services from Lianyungang Huanghai Machinery Co., Ltd.

Jiangsu Lianyungang Huanghai Machinery Co. Ltd. is a key drilling rig manufacturer and designer of geological drilling rig, engineering piling drilling rig and horizontal directional drilling rig ...

Jiangsu Lianyungang Huanghai Machinery Co. Ltd. ist ein Schlüssel Bohrturm Hersteller und Designer von geologischen Bohranlage, Engineering häufen Bohranlage und ...

I. General Introduction This HYDX-6 hydraulic drilling rig is a new product made by Lianyungang Huanghai Machinery. It is a thoroughly new-typed drilling rig developed on the basis of the ...

Lianyungang Huanghai Machinery Co.,Ltd. is a large-scale key enterprise in the industry of geological exploration field. With more than 40 years" experience of manufacturing of core ...

This core drilling rig is widely used in the fields of geology, metallurgy, coal and natural gas as well as underground water, etc. It is also referred as diamond coring rig in some place.

Drilling rig is a machine to drill holes in the ground. It is also known as diamond core rig in general place. It is mainly used to the on-shore or off-shore oil well, water well or the exploration of ...

The crawler drilling rig HYDX-5A new model full hydraulic drill rig is developed by Huanghai Machinery. with reference of advanced technique of same kind ...

The HCR-8 is a hydraulic core drilling rig developed by Lianyungang Huanghai Machinery Factory Co., Ltd. It is suitable for drilling in various terrain and ...
