

Hydraulic open-pit down-the-hole drill rig

The reason customer want to drill the hole is that drill and blast is the most efficient and economic way to break rock instead of excavating it. ...

It is a small and medium-sized open-pit down-hole equipment independently researched, developed, and manufactured by our company. It is mainly ...

DTH Drilling Rig Our KG, KGH series borehole drilling rig is an updated version of our KY series hole drilling machine. The previous simple structure and reliable performance remain the ...

The XD-420T series crawler open-pit down-the-hole drill rig is a new type of down-the-hole drill developed to meet market demand. This product has excellent performance, ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the widest range of surface drilling ...

Surface drill rig for limestone, aggregate and cement quarries, open pit mines + Easy operation and maintenance due to a pilot hydraulic control System and ...

The XDH-180 series crawler open-pit down-the-hole drill rig is a new type of down-the-hole drill developed to meet market demand. This product has excellent performance, ...

Pdkj-720 Heavy-Duty Hydraulic DTH Drilling Rig for Open-Pit Mining - Large Blast Hole Drill with Strong Penetration (China Manufacturer), Find Details and Price about Down ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the ...

The KT12 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...

PowerROC D60, a hydraulic down-the-hole drill rig, perfectly meets the needs of open-pit mines and quarries when it comes to drilling big holes. With the well ...

Integrated Surface DTH Drilling Rig, KT5D Down-the-hole drill rig for open-pit mining This machine integrates a hydraulic long hole drilling rig and a screw ...

The DTH drilling rig (down-the-hole) is a highly efficient rock drilling equipment used in open-pit mines,

Hydraulic open-pit down-the-hole drill rig

stonework projects, road construction, and other scenarios. It is also called a shallow ...

Fully hydraulic open-pit down-the-hole drill rig Powerful rock drills offer excellent, vertical drilling capabilities in the customer's drilling operations. The fully-integrated rock drill, with its ...

The HFKT7D integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, It is capable of ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

JC710 hydraulic down-the-hole drilling rig is designed to meet the demanding requirements of open-pit mining and quarry drilling.

RCZ440 hydraulic automatic DTH drilling rig, Compact size but powerful drilling capability. Applicable in surface quarry mining and varieties of bench blast hole drilling for mid soft and ...

Our full hydraulic DTH drilling equipment is equipped with a high air pressure air compressor. This type of DTH rig machine is suitable for blasting perforation of ...

Ranger(TM) DX800 is a hydraulic, diesel-powered, self-propelled top hammer drill rig with an ergonomic cabin and rod handling system. Typical applications are road cutting, pipeline ...

B4A 21M 2400N.M Hammer Drilling Rig Mine Drilling Rig The Hongwuhuan B4A drill rig is a type of full-hydraulic open-pit DTH (Down-The-Hole) drill rig. Below is a detailed introduction to this ...

This machine is produced based on our company's years of drilling-rig-making experiences, which is specially designed to meet the demands of operators ...

High quality Full Hydraulic Integrated Down the Hole Surface Rock Drill Rig for Open Pit Mining from China, China's leading Rock Drill Rig product, with strict quality control Rock Drill Rig ...

MININGWELL Separated DTH drill rig drilling rig is used for open pit, mine, quarry, construction etc. And this mine drilling rig is with good integrity, ...

KH712D open-pit down-the-hole drill adopts new hydraulic technology and is a powerful assistant for rock drilling in open-pit mining, road construction, water conservancy, power stations and ...

Hydraulic open-pit down-the-hole drill rig
