

Italian engineering survey drilling rig manufacturer

Who is Wei SRL?

WEI srl is a long experienced drilling rig manufacturer for Oil&Gas, Geothermal and Water wells. WEI thanks to its many qualifications and high level technicians carries out on-site surveys, tests, inspections, re-certifications, as well as maintenance on Drilling rigs and equipment.

What makes our drilling rigs a high-quality and versatile product?

The focus on drilling work, the flow of information between customer manufacturer and the use of up-to-date engineering technology have all helped make our drilling rigs a high-quality and versatile product. We offer feasibility studies and carry out turnkey drilling systems based on particular specifications and individual customer requirements.

Who makes drilling rigs for water wells & geothermal?

Drilling rigs for water wells and geothermal. Since 1964 Alfredo Beretta, the founder, made the company Beretta Alfredo S.r.l. in 1964, after having gained high experience in the production of air compressed drilling rigs. Based on customer's feedback on our drilling rigs.

What kind of drilling rigs does Wei manufacture?

WEI engineers and produces in Italy under API rules customized hydraulic drilling rigs from 5 to 450 mTons, mechanical drilling rigs up to 450 mTons pull up capacity, Derricks and Mast up to 3.000.000# complete with equipment as Mud Pumps, Drill Collars, Subs, Shale Shakers, complete Mud System, Choke Manifold and Spool as per API 6A and 16A.

What is a drilling rig used for?

Drilling rig for water wells, mineral explorations, seismic, coring and deep geothermal applications, it can be highly customized... Maxwell Oil Tools specializes in manufacturing composite centralizers and other tools essential for drilling and tubular applications.

What factors affect the drilling industry in Italy?

When exploring the drilling industry in Italy, several key considerations come into play. The regulatory landscape is particularly important, as Italy adheres to strict environmental regulations governing drilling activities, which can affect project timelines and costs.

RESEARCH & INNOVATION Based on customer's feedback on our drilling rigs. Our main purpose is to put the drilling operators in the best conditions to make the job.

Find the top drilling rig suppliers & manufacturers from a list including Lone Star Drills. a Little Beaver Company, Acker Drill Company Inc & AMS, Inc.

Italian engineering survey drilling rig manufacturer

Specificità del lavoro di perforazione, flussi informativi cliente/costruttore e tecnologie avanzate hanno reso le nostre perforatrici un prodotto di alta ...

Established for more than 20 years, Rockbit UK is recognised internationally as one of the UK's leading drilling equipment suppliers and manufacturers. We ...

Oil drilling rig manufacturers typically produce several types of rigs, including land rigs, offshore rigs, and mobile drilling units. Each type is designed for specific environments and drilling ...

WEI is an Italian Company established in 1998 and its staff, composed by 60 people, is 40 years long-experienced in manufacturing water, geothermal, gas, shale gas and oil drilling rigs and ...

Portable full hydraulic core drilling rig is suitable for core exploration and construction in different geological and landform environments. It is widely used in geological ...

Huanghai Machinery is a manufacturer who designs and produces geological exploration equipments, coal bad methane equipments, engineering foundation equipments and horizontal ...

Modu-survey services include rig inspections, surveys, audits, rig intake, reactivation, customized OTJ rig inspection & compliance training, crew competency assessments on all types of ...

Thor drill rig is a South African based drilling equipment manufacturing company. It's a family owned business that has been around since 1978 . We have built more than 700 units working ...

It is suitable for engineering geology survey solid mineral deposit general survey and exploration, blasting hole and inspection hole of all kinds of concrete structure, etc., according to the ...

At Casagrande, we provide piling rigs, crawler drills for micropiling, anchoring, and jet grouting, diaphragm wall equipment, and tunnel consolidation solutions - offering over 300 ...

Kores Engineering offers complete drilling solutions to our customers. We provide expertise in designing, developing, and distributing high-precision equipment ...

IMT, the inventor of the first drill rig and leading company in the drilling and boring field. High quality, efficient and powerfull hydraulic drilling rigs

Core Drilling Rig YG core drilling rig is a multifunctional core drilling rig, mainly used for shallow hole core drilling with diamond or carbide drill bits. It is also ...

Italian engineering survey drilling rig manufacturer

IMT has been a leading company in the drilling and boring field for more than 40 years. IMT was founded in 1974 by Mr. Giulio Accorroni. Since then, the ...

The focus on drilling work, the flow of information between customer manufacturer and the use of up-to-date engineering technology have all helped make our ...

With unmatched technical and global experience, RigQuip offers rig packages, maintenance and drilling equipment parts to customers worldwide.

Drilling Rigs Engineering precision, accuracy, and perfection for 3 decades and standing strong & best than any drilling manufacture in India. The huge customer recommendation proves our ...

Massenza Drilling Rigs is a prominent manufacturer of drilling rigs in Europe, specializing in rigs for various applications, including seismic testing, water ...

02 Engineering Rig Resources Engineering Division is a core division of our company. With over 100 years of combined expertise in Rig Design ...

SH30-2A engineering survey drilling rig is mainly used in the geological survey of placer gold exploration, industrial buildings, civil buildings, roads and bridges. The drilling rig has two ...

Huanghai Machinery is a manufacturer who designs and produces geological exploration equipments, coal bad methane equipments, engineering ...

Energy Dais presents the most comprehensive list of the top Drilling Rig manufacturers in India, Middle East, USA & Canada. Choose from a list of 50+ ...
