

Japanese water-cooled oil-free screw air compressor

Kobe Steel has developed a series, EmerauDe-Aqua, of oil-free screw air compressors which use water injected during compression for sealing and cooling their parts. Each compressor ...

The ZR's superior oil-free screw elements provide the optimum combination of high Free Air Delivery (FAD) with the lowest energy consumption. Ample sized cooling, low pressure drops ...

Pure, oil-free air with AQ water-injected screw compressors. Available in compact water-cooled and air-cooled versions, meet your precise needs for pure, oil ...

There are two main types of air compressor cooling systems - air-cooled and water-cooled. Find out their pros and cons to choose the best one for your needs.

Our oil-free rotary screw compressors are designed to achieve low lifecycle costs and deliver high-quality air for industry standards. ZR & ZT compressors are ...

What is an Oil-Free Compressor? Oil-free compressors are air compressors that operate without oil in the lubricating chamber, which eliminates the chance of contamination downstream - ...

No cooling water infrastructure? Our oil-free rotary screw compressors with air-cooling are designed for efficient operation and reliable compressed air supply ...

In 1956, the screw compressor became the first in Japan and continues to the present day. It inherits the refined technology, the recognized quality, and the unchanging spirit of pioneering.

Air ends for Water injected oil free screw compressor Demands for cleaner compressed air increase year by year, and oil free compressors have been ...

Explore Eagle Series oil-free rotary screw compressors. Durable, energy-efficient, and Class 0-certified for sensitive industries like food and pharmaceuticals.

Discover the innovative technology behind water-lubricated oil-free screw air compressors. Learn how they outperform traditional models in efficiency, ...

Oil-free compressed air with an efficiency guarantee: the screw compressors in these ranges produce oil-free compressed air safely and economically. Cooling takes place according to the ...

Japanese water-cooled oil-free screw air compressor

Whether it is air-cooled or water-cooled models, these compressors provide the same flexibility and reliability as oil screw compressors, while meeting the high ...

Premium Air Quality Air purity class of discharge air from Hitachi Oil-free Screw Compressor (DSP) is proved to be the highest level "Class 0"; from the test result which was conducted by ...

Mitsui Seiki launched innovative water lubricated oil free air compressor in 1982. Since then, we have delivered air compressors to customers of various industries, such as foods, beverages, ...

Product Description Product Description Bobair oil-free screw air compressor used Japanese Mitsui's original technology, who is the only maintenance ...

No cooling water infrastructure? Our oil-free rotary screw compressors with air-cooling are designed for efficient operation and reliable compressed air supply up to +45°C. Discover ...

MITSUI SEIKI OIL FREE SCREW COMPRESSOR SERIES Since 1982, Mitsui Seiki has been providing water lubricate air compressor to various industries. With its unique compression ...

A rotary screw compressor's defining characteristic is the presence of screws (usually there are two, but the compressor may have more or less). These are also called the male and female ...

1 Super Premium Efficiency APM Motor (IE4 equivalent) Oil-cooled motor. Fully enclosed IP65 protection. Reach IE4 efficiency standard. VSD: variable speed drive. Optimal cooling for all ...

Our oil-free rotary screw compressors with water-cooling provide efficient and space-saving operation. Save on heating costs with our heat recovery ...

Hitachi oil-free screw compressors offer oil-free air at "Class 0" (ISO8573-1:2010 Class 0 T&V Certification). It caters to different industries such as food and ...

The ZW series oil-free single screw air compressor is both eco-friendly and energy-efficient. The compressor uses pure drinkable water as a lubricant, which is used for sealing, cooling, and ...

The water-flooded oil-free screw compressor GP series saves energy and reduces maintenance and environmental load, removing various disadvantages found with the conventional ...

Our oil-free rotary screw compressors are certified to ISO 8573-1:2010 Class 0 standards, ensuring 100% oil-free air for sensitive applications in the pharmaceutical, food and beverage, ...

Our oil-free air compressors cover a wide range of rotary screw and tooth, centrifugal, piston, water-injected

Japanese water-cooled oil-free screw air compressor

and scroll compressors. An oil-free solution for every application

Hitachi oil-free screw compressors offer oil-free air at "Class 0" (ISO8573-1:2010 Class 0 TÜV Certification). It caters to different industries such as food and beverage, pharmaceutical and ...
