

# Jinhua excavator modified into down-the-hole drilling rig

The Excavator-Modified Down-the-Hole Drill, also known as the Excavator-Mounted Hydraulic Down-the-Hole Drill, is a highly versatile and efficient tool. It seamlessly integrates with ...

The excavator modification for DTH drilling offers the following features and advantages: 1. High Efficiency: Utilizing the excavator's power system, the modified DTH drilling equipment ...

We launched the intelligent Excavator Converted Drilling Rig, which deeply integrates the mature and reliable excavator platform with advanced drilling technology, giving it a strong adaptability ...

Our current main products cover multiple categories such as excavators, bulldozers, drilling machinery, new energy photovoltaic pile drivers, rollers, loaders, cranes, forklifts, and tracked ...

The modified down-the-hole drilling rig is a new type of highly integrated down-the-hole drilling rig. The equipment adopts the power of the original excavat...

The output torque of the hydraulic power head is large, with strong drilling ability and a wide range of drilling rig applications. 5.The output speed of the power head is continuously variable, and ...

Excavator Modified Down-the-hole Drilling Rig Hydraulic Multi-functional Auger Drilling Rig No reviews yet China Macmax Machinery Co., Ltd. 2 yrs CN [CODE\_4]: ...

The company offers a full range of drilling rig products, including water well drilling rigs, core - drilling rigs, truck - mounted drilling rigs, photovoltaic drilling rigs, down - the - hole drilling rigs, ...

Discover the impact of Down the Hole Hammers (DTH hammers) in urban redevelopment projects. Learn how these specialized tools enable ...

Provide users with ideal downhole solutions Excavator turns into a drilling rig in seconds to expand mechanical applications: Through simple modification, a conventional ...

Excavator Modified Down-the-hole Drilling Rig Foundation Pit Support Hydraulic Anchor Drilling Machine 1 - 4 Sets \$26,000 &gt;= 5 Sets \$23,000 Customization: Customized logo (Min.Order: ...

Specializing in drilling machinery, down-the-hole drilling rigs, mining equipment, machinery manufacturing, excavator drill conversions, crawler drilling rigs. Based in Quzhou City, ...

# Jinhua excavator modified into down-the-hole drilling rig

Excavator modified drilling rig, one machine with multiple functions, efficient drilling, easy to deal with various complex terrains. It is a must-have for construction, mining, and water ...

Instead of investing in a separate drilling rig, companies can modify their existing excavators to perform drilling tasks, optimizing the use of available resources. 2. Enhanced Versatility: The ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is ...

The MR-5 ID is a hydraulic drilling unit for using 2" or 3" down-the-hole hammer, or rock drill weighing 58 kg with separate right and left rotation, provided with a hydraulic power pack ...

Versatile Excavator modified into down-the-hole drill Small DTH drilling for Precision Ground Anchoring Excavator Converted Drilling Rig for Underground Operations Versatile excavation ...

The Carter 320D excavator is converted into a down-the-hole drill, and the modular quick-change device is used to switch the operating mode within 10 minutes. Equipped with a Cummins ...

The difference is that the impact mechanism of the down-the-hole drilling rig - the down-the-hole impactor is installed on the front end of the drill pipe and dives into the bottom of the hole.

China Rugged Excavator Modified For Deep Hole Drilling Manufacture, Visit Here to Find the Rugged Excavator Modified For Deep Hole Drilling That You are Searching for.

Description excavator mounted DTH drill rig Using : Before the coal mining, coal mines drilled gas drainage (discharge) holes, grouting fire prevention holes, coal seam water injection holes, ...

Shipping Shipping solutions for the selected quantity are currently unavailable Item subtotal (0 variations 0 items) \$0.00 Shipping total \$0.00 Subtotal \$0.00 Start order request Contact supplier

Instead of investing in a separate drilling rig, companies can modify their existing excavators to perform drilling tasks, optimizing the use of available resources. 2. Enhanced ...

The modified hydraulic rock drilling machine, known as the excavator converted into a down-the-hole (DTH) drill rig, is a mature mechanical rock excavation ...

Different Models of Down the Hole Drilling Rigs: YGD-70/100 DTH Drilling Rig YGD70/100 DTH drilling

# Jinhua excavator modified into down-the-hole drilling rig

rig is a kind of compound power model, powered by a motor and compressed air. The ...

Digger drill is a special drilling equipment that combines the flexibility of an excavator with the drilling capability of a digger. This equipment enables efficient and accurate drilling operations ...

? Excavator modified down-the-hole drilling rig Fully hydraulic rock drilling and drilling work, economical and practical, easy to install, flexible in drilling and rock drilling, and ...

Find excavator modified drill rig from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.

Product descriptions from the supplier Product Description Specification item value Suitable Excavator (ton) 15-20 Place of Origin China Shandong Warranty 1 Year Weight 850 Core ...

Max. Torque 10000nm Product name Down-to-hole drilling rig Model 5 kinds of models Application Quarrying,mining,construction work Usage Install on the evcavator Weight/kg ...

efficiency, especially suitable for hard rock formations and deep hole operations. 2. Versatility: Excavator-modified DTH rigs can be used not only for drilling but also for earthmoving, ...
