

Jk590d crawler hydraulic down-the-hole drill rig

What is jk590bc crawler mounted hydraulic DTH drill rig?

JK590BC crawler mounted hydraulic DTH drill rig has better performance than the previous generation: fully optimized structure, lower drilling footage cost, more user-friendly design.

What is jk590bc drill rig used for?

JK590BC drill rig is mainly used for hydro-power engineering, open pit mining, road construction, drilling and blasting operation of national defense engineering. JK590BC crawler drill rig has better performance than the previous generation: fully optimized structure, lower drilling footage cost, more user-friendly design.

Who is JK drilling?

As a professional manufacturer of drilling equipment, we can supply high quality crawler drilling machine, hydraulic drilling machine. JK Drilling has established a mature and complete after-sales service team, which can provide strong support to customers at home and abroad.

What is a crawler-mounted drilling rig?

The crawler-mounted drilling rig is particularly designed for drilling big holes, such as blastholes and photovoltaic holes. Equipped with an enhanced gearbox and two rotation motors, the DTH drilling rig is further improved to deliver outstanding performance.

What is a crawler-mounted DTH drilling rig?

The crawler-mounted DTH drilling rig is well designed to drill through rocks easily, efficiently and at a low cost. As a star product among separated DTH drilling rig, it has sold thousands of units worldwide. The crawler-mounted drilling rig is particularly designed for drilling big holes, such as blastholes and photovoltaic holes.

What makes JK drilling unique?

In the drilling rig industry, JK Drilling's innovation has been relentless. It is committed to manufacturing high security and newly designed products for customers. JK Drilling has its own R & D center, where all rigs are conceived and designed. In addition, JK Drilling has passed ISO9001, ISO14001 and OHSAS18001 certifications.

JK590BC crawler mounted hydraulic DTH drill rig has better performance than the previous generation: fully optimized structure, lower drilling footage cost, more ...

The drilling rig is equipped with the crawler leveling function, which makes the center of gravity of the drilling rig more stable up and down the slope, and the powerful operation capacity ...

Jk590d crawler hydraulic down-the-hole drill rig

The drilling rig uses hydraulic oil to drive the motor and boom, and compressed air to drive the impactor, working together to complete efficient drilling operations.

JK590JK590BC Crawler Mounted Hydraulic DTH Drill Rig JK590BC crawler mounted hydraulic DTH drill rig has better performance than the previous generation: fully optimized structure, ...

The HD202 is a heavy-duty and versatile drill rig, powered by 204 HP engine, with super high pull-back (15 tons) on the drill mast. This fully hydraulic crawler drill ...

Find Crawler Rig manufacturers, suppliers, dealers & latest prices from top companies in India. Buy from a wide range of Crawler Rig online.

The pneumatic crawler drill rig is a multifunctional high-efficiency drilling rig, which integrates the functions of rhinestone and air drilling. It has the characteristics of both water drilling and air ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include augering and down-the-hole rigs. Typically these are mounted onto ...

Shandong Quanhua Technology Engineering Co., Ltd manufacturing and sales of kilometer drilling rigs, core drilling rigs, pipe thread lathes, import.

PDKJ729S It is surface Down-the-Hole drilling rig with both uses of diesel and electricity. It is driven by diesel and electricity power, especially suitable for mines with electric ...

This DTH drilling rig Rotary organizations to adopt a new dual-motor turret, it assures the drilling rig to maintain a strong rotary torque output when drilling large holes in the open-air blast hole ...

The JK590 internal combustion (JK590 Electric) is a crawler-type hydraulic down-hole drill, mainly used in drilling and blasting task, such as water and electricity project, open-cast mining, ...

Buy low price Jk590 Crawler Mounted Hydraulic Dth Drilling Rig by Jinke Drilling Machinery Co., Ltd, a leading supplier from China. 11781 similar products are also available from global ...

DTH down the hole full hydraulic crawler drilling rig with Japan standard since 2009. The rotary torque 4200-5100Nm. Hole size: 89-140mm | 3.5-5.5 inch.

The JL598 crawler-type hydraulic down-the-hole drilling rig has a fully optimized structure, lower footage cost, and a more user-friendly design. A diesel engine (electric motor)-hydraulic oil ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both

Jk590d crawler hydraulic down-the-hole drill rig

ends of the output at the same time to drive the screw ...

90-165mm Site Condition It is applicable to the blast hole drilling process of hydro project, open pit mining, quarrying, road construction and defense project. Product Features JK590C / JK590 ...

The JL452H integrated down the hole drilling for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system. It is capable of ...

The hydraulic drilling rigs of the CX series are conceived as multipurpose units, able to perform multiple drilling methodologies. Specifically, all Comacchio CX drilling rigs can be configured ...

JK Drilling is a leading dth boring machine supplier, offering crawler mounted hydraulic down the hole drill rigs. Our rigs can drill holes ranging from 90-305mm in diameter and 18m-200m in ...

High performance JK590 Down the hole Drill Rig for open use The JK590C 1 JK590 new generation internal combustion (electric) crawler mounted ...

The JY590-3 crawler hydraulic down-the-hole drilling rig is mainly developed for various types of mines such as quarries, cement mines, open-pit coal mines, etc. It can complete the drilling ...

Hydraulic Crawler Drills Furukawa Rock Drills lead the competition in up time with blast hole drills. Easy to operate; easy to maintain. For over 100 years Furukawa's philosophy has been to ...

The Furukawa DCR22 crawler drill is a premium down-the-hole (DTH) hydraulic rig specially designed for surface drilling at UK mines and quarries.

Used JK590BC-2A Crawler Hydraulic Down-the-Hole Drill Rig for Deep Rock Drilling No reviews yet Baoding Niugong Construction Machinery Leasing Co., Ltd. 1 yr

Explore the most comprehensive line of surface rotary and DTH blast hole drilling rigs in the industry, with a multitude of configurations to choose from and ...

As one of the most professional crawler mounted drill rig manufacturers, TAIYE fully hydraulic down-the-hole drilling rigs cover a bore diameter of 90-255mm. ...

Crawler Blasting Rig ZT5 Mining Blast Hole Down The Hole Drilling Rigs With Built-in Compressor ZT5 integrated open-air DTH drilling rig is an advanced ...

The drilling rig is equipped with the crawler leveling function, which makes the center of gravity of the drilling rig more stable up and down the slope, and the ...

Jk590d crawler hydraulic down-the-hole drill rig

JK590C / JK590 are the new generation of internal combustion (electric) crawler mounted hydraulic DTH drilling rig, the latest updated version of JK590 series. In contrast with the last ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. ...

A remotely radio-controlled hydraulic, crawler-based surface drilling unit, Dino(TM) DC420Ri is designed for drilling 51 to 76 mm (2 to 3 in.) hole sizes. It provides ...
