

# Julong Water and Gas Dual-Use Well Drilling Rig

High efficiency: Our crawler water well drilling rig adopts dual-purpose structure to ensure the best performance for both water and gas well drilling operations. Their innovative ...

Efficient Drilling Capability: This water well drilling rig is designed to achieve a maximum drilling depth of 300m, making it suitable for a wide range of applications, including water boring and ...

Wide range of applications: The dual-use water and gas water well drilling rig is a light and efficient drilling rig suitable for a variety of purposes.

JZQ-150 pneumatic water well drilling rig 1, the use of full hydraulic drive, double motor power head, simple structure, easy maintenance.&lt;br /&gt;2, mobile flexible and convenient, applicable ...

Drilling rigs are essential machines used in various industries to create holes in the earth's surface. From oil and gas exploration to water well drilling and mining, these rigs come in ...

XYX-3 series drilling rig is a shallow/ medium depth hole spindle type core drilling rig. The machine is mainly used for diamond drilling and able to meet the needs of various drilling ...

A water-gas dual-purpose drilling rig is a type of equipment that can use both water and gas simultaneously for drilling. It combines the advantages of both water and gas, ...

May 12,2024 Shandong Julong Equipment Manufacturing Co., Ltd. Environmental Information Publicity of Solid (Hazardous) Waste in 2023 May 07,2024 Development of Shandong Julong ...

Portable Water Well Drilling Rig (HZ-150YY), Find Details and Price about Portable Drilling Rig Mobile Drilling Rig from Portable Water Well Drilling Rig (HZ-150YY) - Shandong Julong ...

Initially, the dual rotary technique was perfected for use in water well and construction applications. In recent years, the technology has evolved, and new rigs and ...

JDL-350 Mechanical Top Drive Rig Water and gas dual purpose drill series is a kind of water well drilling equipment independently developed by the company, which integrates the functions of ...

With an impressive legacy of 15 years in equipment sales and service, coupled with over 15 years of expertise in design and manufacturing, our specialty lies in crafting state-of-the-art water ...

# Julong Water and Gas Dual-Use Well Drilling Rig

Water Well Drilling Rig Supplier, Engineering Drilling Rig, Mud Pump Manufacturers/ Suppliers - Shandong China Julong Hydraulic Machine Co., Ltd.

This is a dual-purpose water and steam well drilling rig that can be used in conjunction with a mud pump for hydraulic rotary drilling, and can also be equipped with an air compressor for rock ...

Powerful hydraulic system: Our dual-use water and gas water well drilling rigs are equipped with heavy-duty hydraulic motors with high efficiency and high torque performance, ...

The YES-300D drilling machine is our latest traction water gas dual-use drilling machine, which can be used together with mud pumps and air compressors, and has excellent drilling ...

JDL-350 water and gas dual-use series drilling rig is a multi-functional drilling machine integrating water drill and air drill. It is the first in China.

Drilling rigs are essential machines used in various industries to create holes in the earth's surface. From oil and gas exploration to water well drilling and ...

Hydraulic crawler water well drilling rig machine features dual-use functions for both water and gas, making it suitable for depths ranging from 120m to 600m. ...

Product Description This 200m tracked water well drilling rig integrates efficient power and intelligent design, equipped with a fully turbocharged diesel engine, which has strong power ...

YG series water well drilling rig is a lightweight, efficient and multifunctional drilling equipment, The water well drilling rig is mainly applicable to industrial and civil drilling, geothermal drilling, ...

Water and Gas Dual-purpose Hydraulic Water Well Drilling Rig for Sale Household Drilling Machine Mining Equipment Machine No reviews yet China Macmax Machinery Co., Ltd. 3 yrs CN

Waterwell Used Rigs Well drilling is the process of drilling a hole in the ground for the extraction of a natural resource such as ground water, natural gas, or petroleum. Water well drills also can ...

QZ200 pneumatic water well drilling rig It is mainly suitable for drilling wells, agricultural irrigation wells, ground source heat pump wells and other uses of the well hole, especially suitable for ...

Pneumatic well drill is especially suitable for water intake in mountainous and rocky strata. All drilling rigs are multifunctional, it can be used with air compressor, mud pump, even we can ...

Our water well drilling machine are mainly used for well drilling in resource exploration hydrology wells,

## Julong Water and Gas Dual-Use Well Drilling Rig

civil usage water well, agriculture irrigation project, and can also be used for coal-mine ...

Unlock the secrets of water well drilling rigs! Learn about their components, operation, and how to choose the right one for your needs.

JY-800 Full hydraulic core drilling rig It is mainly applicable to the drilling of solid deposits, can also be used for engineering geology, shallow oil, natural gas, groundwater drilling, and can ...

Buy water well drilling rigs privately from owners near you at Ritchie List. Our inventory of well drilling rigs & trucks are of the best brands by verified sellers. Browse today!

The company's product range includes various types of drilling rigs such as oil and gas drilling rigs, water well drilling rigs, rock core drilling rigs, automotive drilling rigs, as well as the ...

For those who seek the perfect synergy of innovation, our compound drilling rigs seamlessly integrate impact and rotation. Especially notable in the domain of deep well drilling through ...

Water Well Drilling Rig Supplier, Prospecting Drilling Rig, Core Drilling Rig Manufacturers/ Suppliers - Shandong Julong Hydraulic Machine Co., Ltd.
