

## Kaishan 200 water well drilling rig

JR200 well drilling rig is designed to deal with industrial construction drilling, civil engineering and geothermal drilling and water well drilling projects. This geothermal drilling rig is designed with ...

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

KW180R water well drill rig the drilling diameter is 140-254mm and the drilling depth can reach to 180 meters, which can meet most of the farming or ...

The water lift drilling rig basically still maintains the traditional rotary table structure, and its performance is relatively backward. Most deep water well drilling rigs adopt the four corner ...

Our products include borehole drilling rig, water well drilling rig, industrial piston air compressor, and construction tools and parts. With more than 60 years of ...

Find kaishan water drilling rigs from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.

Brief info: KW180 200 m diesel engine powerful ground drilling machine, US \$ 18600 - 21500 / Set, New, 1 Year, Zhejiang, China. Source from Shaanxi Kaishan Mechanical & Electrical ...

Brief info: 200 meters crawler type borehole water well drilling rigs, US \$ 85,000 - 95,000 / Set, New, 365 days, Zhejiang, China. Source from Kerex Group Co., Ltd. on ...

The rig can be performed on different strata Chuanzao work, maximum drilling diameter of up to 300mm. The rig using new hydraulic technology, supporting ...

Kaishan 200 Meters Water Well Drill Rig deliver fast and efficient drilling. Reliable for deep water wells and geothermal projects. Contact us now.

KW200R water well drilling rig is updated based on KAISHAN KW180R drilling rig. By comparing, the max. well diameter can be 305mm and the supporting power is increased from 55kW to ...

RS200 Water Well Drilling Rig is a type of highly-efficient and multifunction drilling device, mainly applicable to drilling water wells, agricultural irrigation wells, geothermal pump wells and well ...

Brief info: KW180 200 m depth crawler percussion China drilling rig, US \$ 18600 - 21500 / Set, New, 1 Year,

## Kaishan 200 water well drilling rig

Zhejiang, China. Source from Shaanxi Kaishan Mechanical & Electrical ...

Water Well Drilling Rig Integrated DTH Drilling Rig DTH Drilling Rig Underground Drilling Rig Air Compressor Mining Machinery Drill Tools

ST 200 pneumatic drilling rig for 200m deep wells, featuring Kaishan air compressor, ISO certified, with 12-month warranty. Hydraulic control & fuel-efficient design.

water well drilling rig machine, dth drilling rig, borehole drilling rig machine, rock drilling rig, mining drilling rig, screw air compressor, diesel portable screw air compressor supplier in ...

KAISHAN provides a full range of drilling rigs designed for different applications in the mining, tunneling, and other infrastructure industries.

KW300 water well drilling rig is mainly used for the drilling of water wells, agricultural wells and so on. It is especially ideal for the well drilling projects in ...

KW200R water well drilling rig is an updated driller, and it is adaptable to harsh working conditions and complicated geological conditions like mud, rock and ...

KAISHAN is a professional producer of different drilling rigs and the KS150R geothermal drilling rig is applicable to the drilling of deep-water wells, agricultural wells, geothermal air ...

Zhengzhou Kaishan has complete vertical integration of production .Kaishan headquarters is located in Quzhou, Zhejiang Province, China, approximately 356 kilometers southwest of ...

RS200 Water Well Drilling Rig is a type of highly-efficient and multifunction drilling device, mainly applicable to drilling water wells, agricultural irrigation wells, ...

KAISHAN is a professional producer of different drilling rigs and the KS150R geothermal drilling rig is applicable to the drilling of deep-water wells, ...

Featured Products Kaishan 200m Diesel Rock Drill Machine Water Well Drilling Rigs Product Description It's applicable for water, underground heat well, monitoring well, concreting hole of ...

The water well drilling rig machine can work on different formations, well drilling diameter up to 245mm. The drill machine adopts new hydraulic technology, supporting high torque hydraulic ...

KW drilling machines have the advanced structure, easy to use, high efficiency, reliable, durable and other characteristics, widely used in drilling wells, agricultural irrigation, air hole and other ...

## Kaishan 200 water well drilling rig

Water Well Drilling Rig Archives | Zhejiang Kaishan Compressor | Kaishan Air Compressor | Kaishan Group  
200 Meters Truck Mounted Water Well Drilling Rig Drilling Rig for Water Well ...

Discover the KAISHAN KT15C portable DTH drill rig for hard rock & mining applications. Capable of 200-1,250m depths, dual-power systems, and 30% fuel savings. Request a quote today!

High quality Customized ST200 Crawler Mounted Drill Rig High Speed With Kaishan Air Compressor from China, China"s leading st 200 crawler mounted drill rig product, with strict ...

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Product Description Customized TW20 Used truck-mounted water well drilling machine/200 meters depth water well drilling rig,dia.hole 115-254mm

Quality KAISHAN KW30 200-300M water well auger drill - find quality Water Well Drilling Rig, Mine Drilling Rig & Water Well Drilling Rig from Shaanxi Kaishan Mechanical & Electrical ...
