

# Kaishan Electric Down-the-Hole Drill Rig Accessories

Zhejiang Kaishan Heavy Industry, part of Kaishan Group, manufactures advanced drilling equipment for mining, military, and construction. We offer safe, efficient, and customized ...

New Kaishan Brand KG350GF open-air photovoltaic drilling rig is a machine specially designed for photovoltaic foundation pile holes, equipped with 73.5KW diesel engine, high-efficiency ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework ...

Kaishan KG430 blast hole drill rig is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Integrated DTH Drilling Rig Our KT series integrated drilling rig an advanced drilling machine that combines borehole drilling rig and screw air compressor. ...

KT12 Integrated Down the hole Drill Rig The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw ...

KS311 hydraulic drilling rig is used for blast hole and drilling anchor hole, it can operate in the section with 3.5-5m width and 3.5-5m height. the drill boom can be rotary 360°, it can drill in 3m ...

Down The Hole Drill Rigs Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface Drill ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...

The KG610H open-type down-the-hole drill rig is an improved unit designed for unrestricted operation, fully compliant with national regulations for diesel engine emissions. Equipped with ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

KJ211 Underground Mining Drill Rigs and Tunneling Jumbo is designed for mining, preparation and tunneling. As a hydraulic rock-drilling jumbo with independent operation, it can drill ...

## Kaishan Electric Down-the-Hole Drill Rig Accessories

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework ...

kaishan dth drilling rigs are designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Call us for a FREE quote now!

KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open pit mine, stonework blast holes and pre-splitting holes.

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

KAISHAN High performance KT12 Kaishan DTH Diesel Crawler Down the Hole Blasting Mining Drill Rig for mine blasting hole KT12 integrated DTH drilling rig ...

The KT25 integrated down the hole drill rig with lower revolving rotation speed of gyrator 100rpm/min, can drill vertical, inclined and horizontal holes, mainly used for open-pit mine, ...

Home &#187; Products &#187; Drill Rigs and Rock Drills &#187; KM311 Underground Mining Bolting rig Get Operation Manual KM311 hydraulic rock bolting rig is specially designed for the construction of ...

Kaishan is a professional manufacturer of rock drills and DTH drilling rig in China, we have multiple series of DTH drilling rigs to meet your different requirements, including: DTH drilling ...

If you are searching for high end drilling rig and air compressor, we promise that it is well worth checking our company. Headquartered in Zhengzhou City, ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw compression system and ...

Categories: All Products, Kaishan Drilling Rigs Description: The "Kaishan" brand KT5C/KT7C/KT9C integral DTH mine drilling rig is designed for: Open-pit mining Quarry ...

The KT5C integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, it is capable of drilling ...

Kaishan KT11 integrated surface DTH drilling rig drives both the hydraulic system and high pressure screw compression system with a power and has function modules, including auto ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors.

## **Kaishan Electric Down-the-Hole Drill Rig Accessories**

The drill rig features a folding frame track and four wheel drive. The track leveling ...

The KG410 down-the-hole drill rig for open-pit mining is an enhanced model compliant with national diesel emission regulations. Equipped with a Yuchai 4-cylinder China III engine, it ...

Zhejiang Kaishi Machinery Co., Ltd. located in Quzhou City, Zhejiang Province. Our company has many years manufacturing experience in field of air compressors and drilling rig machines.

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Kaishan KG series Separated DTH drill rig drilling rig is used for open pit, mine, quarry, construction etc. And this mine drilling rig is with good integrity, environmental protection and ...

Kaishan brand KGH5AIII down the hole drill rig is suitable for drilling vertical, inclined, horizontal blasting holes and pre-cracks in open pit mines and stone works.

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!
