

Kaishan kqd70 down-the-hole drill rig parameters

Product Description Instruction: The Ultimate combination of performance and economy.Kaishan DTH system delivers the highest-possible drilling ...

KS311 hydraulic drilling rig is used for blast hole and drilling anchor hole,it can operate in the section with 3.5-5m width and 3.5-5m height.the drill boom can be rotary 360°;it can drill in 3m ...

We manufacture and supply Economy and Efficient small Borehole Drilling Machine /Down hole drill rig KQD70 at a factory competitive price with ...

Specification : 1.High performance-all air driven down the hole drill 2.Simple structure and single dynamic 3.Adapt to any geological feature 4.Easy operating and move 5.Good noise reduction ...

•With the motor as the driving force, it is economical, efficient and energy-saving. •The cycloid pinwheel reducer is adopted, which has large rotary torque and high drilling efficiency. •The ...

KQD70 Certification ISO 9001:2008 Condition New Motor AC Motor Drill Hole Diameter <100mm Drill Hole Depth 50-100m Bit Type Diamond Bit Drilling Way Impactor Type Crawler Weight ...

Product Description Instruction: The Ultimate combination of performance and economy.Kaishan DTH system delivers the highest-possible drilling performance at low running cost. Kaishan ...

Quality small DTH drilling rig KQD70 for sale - find quality Mining Crawler drill rig, Mine Drilling Rig & Mining Crawler drill rig from Kaishan General Machinery Co., Ltd. (Beijing) of China ...

Product DescriptionInstruction:The Ultimate combination of performance and economy.Kaishan DTH system delivers the highest-possible drilling performance at low running cost. Kaishan ...

Technical Parameters Inquiry KQD Series are mainly used for water well drilling rig and blast hole drill, This series electric drilling rig is to transfer the motor ...

Our KQD70/KQD100 electric DTH drilling rig is driven by an energy-saving and eco-friendly electromotor. A cycloidal pin wheel speed reducer is used in this DTH driller. This kind of ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

Kaishan kqd70 down-the-hole drill rig parameters

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes.

Discover our product line including face drill rigs, hydraulic rock bolting rigs, in-the-hole longhole drilling rigs, hydraulic scaling rigs, hydraulic longhole drilling ...

Find KQD70 electric down the hole drill, KQD70 electric down the hole drill from Zhejiang Kaishan Heavy Industry Co., Ltd. in China. As a reliable down the hole drill and KQD70 down the hole ...

KQD70 down-the-hole drill High-efficiency and energy-saving electric down-the-hole drill; With the motor as the driving force, it is economical, efficient and ene...

Kaishan KL511 all hydraulic open air DTH drilling rig is equipped with standard drill rod of 45/51mm diameter to drill vertical, inclined and horizontal blast holes of 76-127 mm.

Technical Specification for Kaishan KQD70 Down-the-Hole Drill (Slope Special Edition) 1. Product Overview The Kaishan KQD100 Down-the-Hole Drill (Slope Special Edition) is a professional ...

Quality high efficient small down the hole drill rig KQD70 for cement factory - find quality Down the hole drill rig, Mine Drilling Rig & Down the hole drill rig from Kaishan General Machinery Co., ...

? Exhaust pressure: 0.6MPa ? Exhaust volume: 4.5m³/min ? Power range: 22kW Basic parameters of KQD70B down-the-hole drill: Prev: KQD100 down-the-hole drill Next: KQD70 ...

KT12 Integrated Down the hole Drill Rig The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw ...

Our down-the hole drill is ideal equipment for down-hole blasting. Advantages 1. Safe and stable traveling system Low gravity, great ground clearance, make cars easily make drill through ...

3. Effective feeding and rotating system of Cellular Drilling Rig Promote reducer drives adopt turbine and worm, which have a massive push-pull effort and can realize self-locking. ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors.

Kaishan kqd70 down-the-hole drill rig parameters

The drill rig features a folding frame track and ...

"Kaishan brand" down-the-hole drilling rig series products are innovatively designed according to the characteristics of Chinese mines, with novel structures, high efficiency, and energy saving.

Our KQD70/KQD100 electric DTH drilling rig is driven by an energy-saving and eco-friendly electromotor. A cycloidal pin wheel speed reducer is used in this ...
