

Kongshan down-the-hole drilling rig integrated machine second-hand

What is a kt7c drill rig?

KT7C Integrated Down the hole Drill Rig for Open Pit Mines and Quarries The KT7C high air-pressure down the hole drill rig for open use is an advanced drilling device integrating a down the hole drilling system and screw air compression system.

What is a kt9c drilling rig?

KT9C Integrated DTH Drilling Rig The KT9C integrated open-pit down-the-hole drilling rig is an advanced drilling equipment designed for blasting and pre-splitting holes in both open-pit mines and stoneworks, supplying vertical, inclined, and horizontal holes with maximum efficiency.

Who is Guangxi Kongshan Machinery Equipment Co?

Guangxi Kongshan Machinery Equipment Co., Ltd. is located in Jiangnan District, Nanning, the capital. It was established in 2013. It is responsible for the equipment marketing and after-sales service of Kongshan Heavy Industry in Guangxi, Yunnan, North China, South China, Central China, East China, Southeast Asia and other parts of the country.

What is the KT series integrated drilling rig?

Our KT series integrated drilling rig is an advanced drilling machine that combines borehole drilling rig and screw air compressor. The dust removing device is also available.

Who are Kongshan subsidiaries?

Its subsidiaries include Kongshan Yunnan Branch, Guangxi Kongshan Construction Labor Service Co., Ltd., and Nanning Kaishan Machinery Equipment Co., Ltd.

Does Guangxi Kongshan support parts after we sold?

We support the parts after we sold. Guangxi Kongshan Machinery Equipment Co., Ltd. is located in Jiangnan District, Nanning, the capital. It was established in 2013.

Down-the-Hole (DTH) drilling is a technique used to create deep, precise holes in hard rock and challenging ground conditions. In this method, ...

The KT15C integrated down the hole drill rig for open use can drill vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

The company's product range includes various types of drilling rigs such as oil and gas drilling rigs, water well drilling rigs, rock core drilling rigs, automotive drilling rigs, as well as the ...

Kongshan down-the-hole drilling rig integrated machine second-hand

The integrated down the hole drill rig is a self-propelled rock drilling equipment that incorporates the power system (usually a diesel engine and an air ...

The compact design of crawler-type hydraulic down-the-hole drilling rig, its safe, flexible, stable chassis frame, powerful travel motor and suspension crawler ensure flexible mobility, high ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

Buy low price Ks188-1 Integrated Open-pit Down-the-hole Drill Rig by Guangxi Kongshan Machinery Equipment Co., Ltd, a leading supplier from China. 325 similar products are also ...

The ZGYX452H integrated DTH (Down-The-Hole) drilling rig is a highly efficient machine designed specifically for underground drilling operations. It is widely used in various fields, ...

Product Description water well drilling rig features: 1. It is an efficient and multifunctional groundwater drilling equipment, which can be used for drilling ...

Search for used small down the hole drilling rig. Find Kerex, Leadcrete, HengWang, Zhongtuo, Anbit, Atlas-Copco, Boyles, and Sandvik for sale on Machinio.

KOONSA Heavy Industry is a construction machinery manufacturing enterprise integrating the R& D, manufacturing, sales and service of hydraulic drilling rigs, piling rigs, tunnel drilling rigs, ...

Integrated Surface DTH Drill Rig An Integrated DTH (Down-the-Hole) Drill Rig is an advanced drilling system designed for efficient and precise drilling in hard ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

Buy low price Kongshan168 Crawler Type Down Hole Drilling Rig by Guangxi Kongshan Machinery Equipment Co., Ltd, a leading supplier from China. 3233 similar products are also ...

Down the Hole Drilling Equipment Application Down the hole drilling rig find applications across multiple industries, showcasing their versatility and efficiency. Mining: In the mining industry, ...

KT7D integrates down-the-hole drilling system and screw air compressor system. It is a state-of-the-art

Kongshan down-the-hole drilling rig integrated machine second-hand

drilling equipment capable of drilling vertical, inclined and ...

In down-the-hole drilling a drill rod is fitted with a hammer at its lower end. The hammer, which is mounted on the drill bit, is activated through the addition of ...

YG specialize in the production of DTH drilling machine. Ideal choice for blasting holes in limestone, bluestone, granite, soil, etc.

Kongshan KS700R Air compressor KS666 Photovoltaic drilling rig KS17-17 Mobile air compressor KS1000 crawler hydraulic core drilling rig KS188-1 ...

Categories: All Products, Kaishan Drilling Rigs, Rock Drilling Tools Description: The KT11 integrated surface DTH drilling rig utilizes a single Cummins three-cylinder diesel engine with ...

Integrated Down The Hole Drill Rigs D440+ base on mature technology, ZEGA is constantly improving the drill rig production capabilities and work adaptability. ...

A high air pressure screw rod with our intellectual property is mounted on the machine. KT5C Integrated Down the hole Drill Rig for Open Use The KT5C ...

Applications The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework blast holes and pre-splitting ...

Our KT15 integrated surface DTH drilling rig is designed by drawing inspiration from previous models. It can satisfy most needs of operators by providing a ...

This type of drilling rig is Chigo's traditional heavy-duty split drilling rig. Its super-strength, full-function design and high-level configuration are highly ...

Our separated hydraulic down-the-hole drilling rig is an excellent economical series, which can save you the overall project cost. The percussion drilling equipment from the drill rig supplier ...

WhatsApp: +8618378848589 Email: gxksjx@163 #Drilling rig #machinery #Mining machine #Mining equipment #Rig #water well drilling rig

KT7D integrates down-the-hole drilling system and screw air compressor system. It is a state-of-the-art drilling equipment capable of drilling vertical, inclined and horizontal holes. The drilling ...

Kongshan down-the-hole drilling rig integrated machine second-hand
