

Kt10 down-the-hole drill rig

Detailed pictures for KT10 Down The Hole Stone drilling machine KT10 Energy and mineral down the hole stone drilling machine with air compressor We ...

Application: Multifunctional Drill Rig Engine: Quanchai Power: 65KW Working pressure: 1.7-3.0MPa Drill pipe length: 3m/6m Max drilling diameter: 254mm Drilling angle: 0-90 Drilling ...

Application The KT10 integrated down the hole drill rig is an efficient,energy-saving advanced drilling device,oriented to the needs of medium and small ...

El equipo de perforación de superficie con compresor de aire KT10 es una perforadora de superficie fabricada por Kaishan que cuenta con una cabina ...

Products Description KT15 DTH Drilling Rig With Cab and air compressor Kaishan KT15 integrated surface DTH drilling rig is a new drilling device which is carefully designed for large ...

Kaishan Brand KT10 IntegratedDTH drilling rig use Cummins diesel engine as a single power, through the output at both ends of the way to drive the screw compression system and ...

ZEGA TOP-HAMMER AND DOWN-THE-HOLE DRILL RIGS Introducing the ZEGA Drill Rig, the pinnacle of efficiency and precision in drilling technology. Engineered with cutting-edge ...

Kaishan surface down-the-hole stone drilling rigs/Mining and rock drilling rigs for civil engineerin Kaishan surface down-the-hole stone drilling rigs/Mining and rock drilling rigs for civil ...

New Type Mining Drilling Rig Power Type Diesel Brand Name KAISHAN Usage Water Well,Ore Voltage No Dimension (L*W*H) 9100*2450*3200mm Mobility Move Name mine drilling rig ...

The KT10 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the screw compression system and ...

KT10 type integrated down-the-hole drill truck uses Cummins III diesel engine as the single power, and drives the screw compression system and hydraulic transmission system ...

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the screw compression system and ...

The drilling rig is equipped with screw air compressor and adopts the middle air pressure pneumatic impact.

Kt10 down-the-hole drill rig

The drilling rig is with high efficiency, low energy consumption.

Application The KT10 integrated down the hole drill rig is an efficient,energy-saving advanced drilling device,oriented to the needs of medium and small open-cast mining,quarry and ...

Online Customization Video Description Products Description The KT10 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can

ZEGA TOP-HAMMER AND DOWN-THE-HOLE DRILL RIGS Introducing the ZEGA Drill Rig, the pinnacle of efficiency and precision in drilling technology. ...

the KT10 integrated DTH drill rig for open use is an advanced drilling device integrating the DTH Drilling system and screw air compressor system, ...

Product descriptions from the supplier Products Description The KT10 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can

KAISHAN KT11 Integrated Down the hole Drill Rig offers high efficiency and reliability for mining projects. With a drilling diameter of 100mm and a depth of 25m, it is perfect for various industries.

Kaishan KG610/KG610H Surface Down The Hole Drill Rig Kaishan KG410/KG410H Down the hole Surface Drilling Machine for Open Pit Mines and Quarries KT7D Kaishan Mine Drilling ...

Buy low price Kt10 Energy And Mineral Down The Hole Stone Drilling Machine With Air Compressor by Zhengzhou Kaishan Mechanical & Electrical Equipment Co., Ltd., a leading ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

The KT10 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can drive the screw compression system and hydraulic ...

minfengmining@outlook Down-the-hole Drill KT10 Integrated Down-the-Hole Drill Rig "KG915/915D Open-pit Crawler Type Downhole Drill Rig KJ211 Full-Hydraulic Tunneling ...

KT10 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw compression system and ...

Next : KT9C Integrated Down the hole Drill Rig for Open Pit Mines and Quarries SEND A MESSAGE We are available 24/7 via fax, email or telephone. Subject ...

Kt10 down-the-hole drill rig

ZT10 integrated surface DTH drilling rig is using Yuchai diesel engines as a single power, by both ends of the output at the same time to drive the screw compression system and hydraulic drive ...

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the ...

The KT10 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...
