

Lanling electric air compressor rental price

How much does it cost to rent an air compressor?

The choice between renting and buying depends on a few factors such as size and type of business, and economics. Generally, of the two air compressor types available for hire, rental rates for portable models range from \$45-\$90/day or \$100-\$200/week. In contrast, a trailer-mounted compressor rental costs \$75-\$950/day or \$220-\$2,500/week.

Where can I rent an air compressor?

United Rentals carries a leading selection of air compressors for rent, designed to provide efficiency and productivity to jobsites. Our inventory includes both towable and diesel-powered units. Get these exclusive online rates by renting through our website or app. For our full list of air compressors for rent, view the items below.

When should you rent an air compressor?

Air compressors are rented by the day, week, or month. Rental rates increase with the size of the compressor, as well as the length of rental. Air compressors provide an added convenience to any job site. Choose a portable air compressor rental for short term projects or a towable unit for maximum power on longer jobs.

What types of air compressor rentals are available?

Our selection of air compressor rentals includes electric, gas and diesel powered equipment with CFMs ranging from 3 to 1,800. Browse our selection here.
