

Liulin down-the-hole drill rig rental information latest

Why should you rent a drilling rig?

In the dynamic drilling industry, there is nothing more important than high-quality equipment rentals. Drill rig rentals not only provide flexibility but also ensure that drilling contractors are getting the latest and best equipment without the complexities of owning a rig.

Where can I rent a drill rig?

Currently, our available stock of drill rig rental equipment includes: Mobile Drill Intl, GTechDrill, VersaDrill Canada, Diedrich Drill, and more as well as various support equipment. Rig Source is experienced with shipping rental drill rig and rental crawler carrier units throughout the US and Canada, and has competitive weekly or monthly rates.

What kind of drilling rigs does hammer & steel offer?

Hammer & Steel offers daily, weekly, and monthly rentals of many respected lines of deep foundation drilling rigs such as rugged and dependable drill rigs. These drill rigs are ideal for applications including pile foundation drilling, dwell drilling, and ground release drilling, among others.

What is a core drill rig?

A core drill rig is a specialized piece of equipment for core sampling. They allow professional drillers to extract a piece of the ground by drilling cylindrical holes in the surface, simplifying the drilling process and eliminating the need for purchasing specialty equipment.

What is the difference between delmag and soiltek drilling rigs?

Delmag drilling rigs have heavy-duty cat carriers with impressive torque and crowd capabilities, designed for hard drilling conditions and large diameter applications. SoilTek drilling rigs offer solutions to all requirements in the drilling and small diameter piling fields, including restricted access work.

Do you offer low overhead drill rigs?

We offer low overhead models for limited access drilling, Kelly bar extensions, and rubber pads or steel tracks on all drill rigs. We understand the importance of efficient and safe operations. Every piece of equipment undergoes meticulous maintenance to ensure optimal performance on your next drilling project.

We're professional down the hole hammer drill rigs for mining (mines) manufacturers and suppliers in China, specialized in providing high quality products and service. We warmly ...
