

# Mobile crawler down-the-hole drill rig price quote

How does a down the hole drilling rig work?

The down the hole drilling rig uses electric energy as power, with low noise and strong power. The drilling speed is 3-8 times that of general rock drills, the rock hardness reaches 9 and the drilling depth is 8-16 meters per hour.

What is down the hole drilling?

Therefore, they are called down the hole drilling. It is suitable for large-diameter blast hole drilling operations in small and medium-sized mines, road construction, water conservancy, and stone works, as well as for drilling bolt holes in slope support, tunnel support, and foundation pit support. The main drilling object is a rock formation.

What is down-the-hole hammer drill rig?

The working principle of the down-the-hole hammer drill rig is the same as other rock drilling rigs. It has the process of rock drilling and hole formation such as impact, rotation, ballasting, and advancement, and it belongs to percussion rotary drilling.

What is crawler DTH hammer drilling?

Here are the details about the Crawler DTH Hammer Drilling. Fast footage, flexible movement, and convenient operation, a high degree of mechanization, and less auxiliary operation time, which improve the operation rate of the drilling rig.

What is DTH drilling rig used for?

DTH drilling rig is suitable for drilling large-diameter blast holes in small and medium-sized mines, road construction, water conservancy, and stone works, as well as drilling bolt holes in slope support, tunnel support, and foundation pit support. The main drilling object is the rock formation. YG Machinery is a top supplier of machinery.

What are the different types of DTH drilling rigs?

According to the different hole diameters, it can be divided into light DTH drilling rig (with a hole diameter of 70-120mm), medium-size DTH drilling rig (with a hole diameter of 150mm), heavy-duty DTH drilling rig (with a hole diameter of 200mm), and extra heavy DTH drilling rig (the hole diameter is 250mm).

TAIYE-370-DTH Separated Crawler Mounted Surface Hydraulic Down-the-hole Drill Rig TAIYE-370-DTH drilling rig is widely used in open-pit mines such as ...

The Small DTH (Down The Hole) Drilling Rig is a compact, mobile drilling machine designed for drilling deep and precise holes in a variety of geological conditions. These rigs are particularly ...

# Mobile crawler down-the-hole drill rig price quote

Exporter of Crawler Drilling Rigs - PRL High Quality Blast Hole Drilling Rig, PRL Crawler Mounted Blast Hole Drilling Rig, PRL Portable Water Well Drilling Rig ...

Deep Hole Diesel Hydraulic Crawler Borehole Water Well Drilling Machine Price HW260S hydraulic down-hole drilling rig is a multi-functional drill rig driven by internal combustion ...

YG crawler DTH drilling rig drilling depth range is 30-40m, and the hole diameter range is 50-150mm. Now get suitable DTH drilling rig quote!

The XDH-180 series crawler open-pit down-the-hole drill rig is a new type of down-the-hole drill developed to meet market demand. This product has excellent performance, ...

Find out all of the information about the Orteco product: crawler drilling rig . Contact a supplier or the parent company directly to get a quote or to find out ...

The drilling rig is equipped with the crawler leveling function, which makes the center of gravity of the drilling rig more stable up and down the slope, and the ...

Down-the-hole drilling rigs | Choosing the right drilling rig You could need a drilling rig for a multitude of applications, for example to drill a well to access a ...

YG-D180 YG-D200 Specification Because there is a series of water drilling machines for sale, so here is the crawler type YG-D180 & YG-D200 water well drilling machine specifications ...

Small down-the-hole drill rigs: small giants for efficient rock drilling Small in size and light in weight, this mini dth drilling machine is suitable for places where large and medium-sized ...

Crawler Blasting Rig ZT5 Mining Blast Hole Down The Hole Drilling Rigs With Built-in Compressor ZT5 integrated open-air DTH drilling rig is an advanced drilling equipment with automatic rod ...

YG150 down the hole drilling machine, large aperture, deep drilling, convenient movement and high efficiency. Click to get free quote now.

Down the hole drilling machine is known as a portable drilling rig or tripod drilling rig. There is a variety of models for DTH drilling machines for sale in YG ...

YG-D180 YG-D200 Specification Because there is a series of water drilling machines for sale, so here is the crawler type YG-D180 & YG-D200 water well ...

# Mobile crawler down-the-hole drill rig price quote

Product: Hydraulic Mobile Crawler Small Drill Deep Rig is a high-grade rig designed for down-hole drilling operations. With its low-speed high-torque hydraulic motor drive rotary device, this rig ...

Related Drilling Machines As a professional drilling machine manufacturer and supplier, we not only provide DTH boring machine but also supply water well drilling machines, rotary drilling ...

Kaishan KT11 dth drilling machine is designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Get a FREE quote now.

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

Down-the-hole drilling rigs | Choosing the right drilling rig You could need a drilling rig for a multitude of applications, for example to drill a well to access a natural resource (water, oil, ...

The crawler-type down-the-hole drilling rig is a new type of comprehensive drilling rig specially used for rotary drilling of soft rock. It adopts new hydraulic ...

The Characteristics of Different Types of Down the Hole Drilling Rigs: YGL130 Diesel Engine and Electric Double Power Hydraulic Crawler Mounted Low Air Pressure Blast Hole Drilling Rig YG ...

DTH Borewell Machine Price in YG From product design to manufacturing process, YG always adheres to the customer's experience-oriented, and is committed to creating a truly "worry ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH blasthole drilling in mining, quarry and ...

Sandvik intelligent surface drill rigs bring the latest technology to surface mining applications. View our leading range of surface drilling rigs.

KAISHAN High performance KT12 Kaishan DTH Diesel Crawler Down the Hole Blasting Mining Drill Rig for mine blasting hole KT12 integrated DTH drilling rig ...

A crawler DTH drilling rig is a drilling rig equipped with a crawler chassis and controlled by a hydraulic system. The core working method of crawler DTH drilling is percussion drilling - by ...

The DTH drilling rig (down-the-hole drilling machine) is a kind of drilling machine, which is mainly used for drilling in rock formations. The down-the-hole drilling ...

Down the hole drilling machine, manufactured by YG Machinery, is widely used for mining and construction.
