

# Pakistan Anchor Engineering Drilling Rig Price List

What is an anchor drilling rig?

The anchor drilling rig is mainly used in landslide and dangerous rock mass anchoring projects to prevent and control various geological disasters of hydropower stations, railways, and highway slopes, especially suitable for high slope rock mass anchoring projects.

Is YG machinery a good anchoring drilling rig?

The anchoring drilling rig of YG Machinery is very efficient and can be operated by one person without more labor. If you are interested, please contact me now! WhatsApp/WeChat/Phone/Skype? +86 136 1385 6800

What are the advantages of a drilling rig?

The drilling rig has a compact structure, energy saving, high efficiency, low noise, and environmental protection. This machine adopts low-speed and high-torque motors to make the performance stable, reliable and has a long life. This machine has a wide range of applications and strong drilling ability.

Pakistan Anchor Drilling Rig Directory provides list of Made in Pakistan Anchor Drilling Rig Products supplied by reliable Pakistan Anchor Drilling Rig Manufacturers, Traders and ...

Choose a reliable anchor drilling machine with flexible angle drilling and efficient performance. Inquire anchor drilling rig price today.

This anchor engineering drilling rig is especially designed to be used on steep slopes and embankments. The slope drill rig adopts our latest group technology and new hydraulic ...

Our drilling machines are used in GSHP systems, engineering geological investigation, water well construction, water conservation industries. We specialize in engineering top-of-the-line ...

Shannxi Xitan Geological Equipment Co., Ltd was established in 1958 as a specialized drilling rig manufacturer for more than 60 years. High-pressure jet ...

The HR-300X anchor drilling rig can meet the needs of a variety of drilling technology, such as water injection and powder discharge, soil drilling, anchor ...

We're well-known as one of the leading anchor engineering drilling rig manufacturers and suppliers in China. Please feel free to buy the best anchor engineering drilling rig for sale here ...

China anchor drilling machine catalog of Professional Rock Drill Air DTH Drilling Rig RC140y Hydraulic DTH Blasthole Drilling Rig /Anchor Drilling Rig/Soil Nailing Rotary Drilling Rig ...

# Pakistan Anchor Engineering Drilling Rig Price List

Water Well Drilling Machine For Sale YG series water well drilling machine is a light, efficient, and multifunctional water well drilling equipment. Powered by ...

Rig Description The anchor drilling machine is mainly used in the sliding wave control engineering of railway, highway, water conservancy and hydropower ...

AK120 anchor engineering drilling rig is a full hydraulic operated dual-top drive power head drilling machine. It is widely used to drill large pretension anchor wire holes, large diameter anchor ...

ApplicationAK-30 construction Anchor Drilling rig is used for drilling anchor holes in deep base pit of high building, anchor and reinforce side-slope for water conservatory project, water power ...

Portable Slope Engineering Anchor Drilling Rig with 80m Drilling depth 200mm diameter Capacity AK80E Diesel engine& electric motor drive available ...

Find Pakistani anchor bolt drilling rig importers on ExportHub . Get Pakistan anchor bolt drilling rig quotations from the most suitable suppliers for your business.

ZJ-series full hydraulic anchor engineering drilling rig is fully hydraulic driven power head drilling rig, which is suitable for the construction of high-rise building deep foundation pit anchoring, ...

The ZJ-70 Series anchor engineering drill rig is the result of incorporating the strengths of our company's ZJ series drilling rigs. By strategically distributing the performance parameters, we ...

The Foundation Pit Support Anchor Engineering Drilling Rig is crucial for ensuring the stability and safety of construction projects. By securely anchoring ...

Global-CE Anchor Drilling Rig channel provides Anchor Drilling Rig sales information, the latest price of Anchor Drilling Rig, Anchor Drilling Rig ...

ZSL-100 full hydraulic crawler type drilling rig mainly used for mountain slope treatment, anchor cable reinforcement of power station, highway and railway, tunnel pipe shed advance support, ...

ATLAS ROC203 Micro Drilling Machine A crawler drill is a machine used at lime mines, quarries, for civil engineering work and construction sites for making holes in rocks for setting explosives ...

Portable Engineering Drill Rig Reverse Circulation, Anchor Drilling Rigs | Let B2BPakistan help you achieve your marketing objectives, B2BPakistan not only lets you promote your business ...

# Pakistan Anchor Engineering Drilling Rig Price List

Product Description MD-50 Anchor Engineering Drilling Rig MD-50 Anchor Engineering Drill Rig possesses the characteristics of stable performance, high working efficiency, multiply usage, ...

China Anchor drilling rig catalog of 10-80m Drilling Depth Hydraulic Anchor Drilling Machine, DTH Deep Foundation Pit Support Anchoring Tunnel Boring Drilling Machine provided by China ...

China Anchoring Drilling Rig catalog of SA-168y Crawler Mounted Slope Protection Engineering Borehole Drilling Rig Machine for Anchoring Project, SA-150s Crawler Type Rock Anchor Drill ...

The ZJ-70 anchor drilling rig is a fully hydraulic driven power head drilling rig. The hydraulic motor, pump and quick joint of the drilling rig adopt international products, and other main ...

Buy 2m Diameter Pile Easy Maintenance Crawler Type Anchor Drilling Rig for Rotary Jet in Pakistan from quality Anchor Drilling Rig China factory on machineu .

Anchor drilling rig is widely used in hydropower station, railroad, highway slope reinforcement, landslide management and other projects, especially for high slope rock anchoring projects. ...

YGL-100Q Crawler Anchor Drilling rig is a kind of full hydraulic power head (top drive) multifunctional crawler drilling rig. This anchor Drilling rig can apply to the construction of big ...

GCS Pakistan offers a wide range of geotechnical services, including drilling rigs and soil testing, essential for planning and construction. Their commitment to ...

The 50 t Tunnel Horizontal Rotary Jet Drilling Rig for Slope Disaster Management in Pakistan with Best Price is a unique piece of machinery for enhanced pre-supporting when running into ...

China Anchor Drilling Rig catalog of 80-200m 50m Tracked Anchor Drilling Rig for Rock Construction Sites, 90-200mm 50m Crawler Anchor Drilling Rig with Diesel and Electric Drive ...
