What factors affect the air compressor industry in Poland?

When exploring the Air Compressor industry in Poland, several key considerations emerge that can significantly impact business decisions. Understanding local regulations is crucial, as Poland adheres to European Union standards, which govern energy efficiency and emissions.

Where can I buy an AirPress compressor?

Airpress compressors have been available throughout Europe for over half a century. Thanks to an extensive network of dealers, they can be purchased in Poland, Germany, the Benelux countries, Slovakia, the Czech Republic, Hungary and even Greece.

Who makes AirPress compressors?

The Airpress brand has been known on the market since 1956. In that year, Doeke de Vries and his father Harmen de Vries developed their first piston compressor. This device was a huge success on the domestic Dutch market, so the de Vries family began mass production of K series compressors, which continues to this day.
