

Professional anchor engineering drilling rig model

Since the 1960s, KLEMM Bohrtechnik GmbH has been developing innovative drilling systems for specialist foundation engineering and related applications. ...

The HR-300X anchor drilling rig can meet the needs of a variety of drilling technology, such as water injection and powder discharge, soil drilling, anchor cable, pipe, drill ...

Function introduction: This model is a fully hydraulic rotary anchor engineering drilling rig, mainly suitable for urban foundation pit support and control of building displacement, geological ...

G140YF High Air Pressure DTH crawler drilling rig has excellent performance with low energy consumption, high efficiency, easy transport. The drilling rig controlled by hydraulic ...

Global-CE provides you with Anchor Drilling Rig model information, including various brands of Anchor Drilling Rig models, Anchor Drilling Rig model prices, Anchor Drilling Rig model ...

Maximum torque: 17000 Nm Given progress:10500 mm Power type: Diesel engine && Application JCM290 Ultra-deep hole fully hydraulic anchoring drilling rig, with 400mm maximum opening ...

The ZJ-70 Series anchor engineering drill rig is the result of incorporating the strengths of our company's ZJ series drilling rigs. By strategically distributing the performance parameters, we ...

This engineering drilling rig is used to drill heavy pretensioned anchor holes and drainage holes in the slopes of hydropower stations, railways or highway ...

Presently, it has three subsidiaries which are Zhengzhou Hanfa Prospecting Machinery Co., Ltd has experienced engineers, professional R& D team, special after service team, world class ...

Product Description SA-150Q Full Hydraulic Multifunctional Anchor Drilling Rig Soft Ground Treatment Equipment Product Description SA-150Q crawler-type hydraulic anchor drilling rig is ...

SA-150Q Hydraulic Multi-functional Anchor Drilling Rig could achieve various drilling method, good performance for complex geological conditions, suitable ...

MD-50 Anchor Engineering Drill Rig possesses the characteristics of stable performance, high working efficiency, multiply usage, as well as the capability of drilling sophisticated stratum and ...

Professional anchor engineering drilling rig model

Model:RCH-4A hydraulic underground drilling rig Drilling depth:550m Drilling diameter :BQ,NQ,HQ,PQ Power: 75KW electric motor Walking way : skid mounted Drilling way :mud ...

Description Detailed 3d model of drilling rig. Model is high resolution and perfect for close-up detailed renders. Interior cabin details included. Two max files ...

Chongqing Bolide Engineering Machinery Co., Ltd.: We're well-known as one of the leading drill rig, anchor drill rig, rock drill rig, hammer drill rig, down the hole drill rigs manufacturers and ...

China leading crawler anchor drilling machine manufacturer. Anchor drill rig suitable for landslides & dangerous rock mass anchoring projects.

ZJ-series full hydraulic anchor engineering drilling rig is fully hydraulic driven power head drilling rig, which is suitable for the construction of high-rise building deep foundation pit anchoring, ...

Anchor Drilling Rig SA-150Q For Deep Foundation Pit Support Engineering SA-150Q crawler-type hydraulic anchor drilling rig is the professional soft soil ...

Anchor Drilling Rig SA-150Q For Deep Foundation Pit Support Engineering SA-150Q crawler-type hydraulic anchor drilling rig is the professional soft soil foundation reinforcement equipment, ...

Crawler Anchor Drilling Rig, Type MGY-135L Crawler anchor drilling rig, type MGY-135L is a hydraulic gyrotor anchoring engineering rig. It is suitable for ...

Rig Model Jackup rig and semi-submersible drilling rig are the two most popular rig models. These mobile platform are used for offshore drilling, safety, oil ...

Different types of YG anchor drilling rig, split anchor drilling rig, high lift anchor drilling rigs for sale in YG Machinery manufacturers.

AK30 Portable nail ground anchor drilling rig machine with 30m drilling capacity JCDRILL Portable Drill Rig Our AK30 construction Anchor Drilling rig is used for drilling anchor holes in deep ...

ZSL-100 full hydraulic crawler type drilling rig mainly used for mountain slope treatment, anchor cable reinforcement of power station, highway and railway, tunnel pipe shed advance support, ...

Find a famous manufacturer, supplier, and factory offering a free download of a high-quality 3D model of a rotary drilling rig. Perfect for purchasers in need of accurate representations.

Borehole Anchor Drilling Rig model: RCA-40E borehole anchor drilling rig drilling depth: 40-60m drilling

Professional anchor engineering drilling rig model

diameter: 90-150mm type:split type application :anchor drilling, slope supporting, soil ...

The ZJ-70 anchor drilling rig is a fully hydraulic driven power head drilling rig. The hydraulic motor, pump and quick joint of the drilling rig adopt international products, and other main ...

Rig Model Jackup rig and semi-submersible drilling rig are the two most popular rig models. These mobile platform are used for offshore drilling, safety, oil production, and heavy lift ...

Find 2542193 free 3d drilling rig models for 3D printing, CNC and design. Rugged drilling equipment for rock penetration, expertly crafted to be transported and assembled by a skilled ...

China leading provider of Anchor Drilling Rig and Tunnel Drilling Rig, Sichuan Zuanshen Intelligent Machinery Manufacturing Co., Ltd. is Tunnel Drilling Rig ...

AK-60 construction anchoring drilling rig is used for drilling anchor holes in deep foundation pits of high-rise buildings, and for anchoring and reinforcement of slopes in water conservancy ...

Introduction The term "Anchor/Micropile Foundation Drill Rig" covers several differing types of machines for use in the deep foundation construction industry. This guide is intended to cover ...
