Is Hitachi a leader in Japan's screw air compressor market?

Hitachi occupies an absolute dominant position in Japan's screw air compressor market. Mattei Compressors Ltd. is a world-renowned screw air compressor manufacturer that has been in operation since 1919. The company has grown from its humble beginnings as a small workshop in Italy to become a global player in the air compressor industry.

What is a screw compressor?

A screw compressor is a type of compressor that employs screws to continuously compress fluids. One notable example is the air compressor, where air drawn in from the intake is compressed between a pair of screws and discharged as compressed air. This is the principle behind screw compressors known as the twin-screw type.
