

Red Five-ring DTH Drilling Rig Chain

The PRD Multistar is a versatile drilling rig adept at DTH, reverse circulation and core drilling with a 1200-meter capacity and adjustable drilling angles from 45 to 90 degrees. Powered by a 360 ...

As one of the pioneering manufacturers of Drilling Rig, Durga Tractors exclusively offers top quality products to esteemed clients. Our Drilling Rig products include highly functional direct ...

Compact design, maximum power. The DR411iE delivers high productivity for both rotary and DTH production blast holes. Equipped with the full suite of Sandvik iSeries technology, it ...

The DID RIG-REDi Chain series offers a diverse selection of robust multiplex chains designed specifically for oil field applications. This series boasts ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. Typically these are mounted onto ...

Features of DTH Drilling Rig Down-the-hole drilling machines has features of high drilling speed and efficiency, ability to drill in various types of rock formations, minimal deviation in drilling ...

All Waterwell Driling Rig Workover Rigs Core Drilling Rigs Dry Pilling Accessories DPW 300 Tractor DTH 300 Tractor DTH 500 Tractor NGDR 1000 Truck NGDR 1500 Truck NGDR 2000 ...

JK830 is an Integrated hydraulic DTH drilling rig dedicated to drilling large bore holes (138-235mm) which brings you more automation, higher working efficiency, better reliability and ...

Epiroc's drill bits have improved continuously over the years, yet with Epiroc DTH drill bits, we take a massive step forward - and it will improve your business in several ways. Whether you ...

YG specialize in the production of DTH drilling machine. Ideal choice for blasting holes in limestone, bluestone, granite, soil, etc.

Vaibhav Engineering is a leading manufacturer of Heavy Duty DTH Drilling Rigs in India, and drilling technology has seen some of the most significant advances in recent years.

ZEGA D345A is a cost effective, environment friendly, safe, and efficient separated DTH drilling rig independently developed by Zhigao under the framework of the national policy to promote ...

JK Drilling, a professional drilling equipment manufacturer, provides a wide range of DTH drilling rigs that

Red Five-ring DTH Drilling Rig Chain

feature high efficiency, high quality and high cost-performance.

The DTH drilling rig (down-the-hole drilling machine) is a kind of drilling machine, which is mainly used for drilling in rock formations. The down-the-hole drilling ...

The PRD Max Drill is a high-performance borehole drilling rig with a pull-up force of 18,000 kg. It handles diameters from 6.5" to 14"; and depths up to 600 meters, making it perfect for domestic ...

The ZT10 integrated down the hole drill rig for open use is a drilling gadget right after a long time of advancement and manufacturing of down the hole drill rig to fulfill the demands of big open ...

The SmartROC D55 is controlled via an advanced rig control system displayed on a touch-screen inside the comfortable, air-conditioned FOPS and ROPS-certified cabin. The screen presents ...

Find here online price details of companies selling DTH Drilling Rig. Get info of suppliers, manufacturers, exporters, traders of DTH Drilling Rig for buying in ...

JK Drilling, a professional drilling equipment manufacturer, provides a wide range of DTH drilling rigs that feature high efficiency, high quality and high cost ...
