

Rock drill nitrogen pack grinding disc accessories

How do you attach a grinding disc to a mandrel?

Effortlessly attach the assembly to common grinding tools like drills and air tools with the included 1/4" shank. With just one simple turn, the disc is securely locked onto the mandrel for easy use.

What tools can I use with a quick change disc pad?

Our quick change disc pad (TR/Type III) comes with 1/8" and 1/4" shanks, as well as round/hex shanks that can be used with any air or electric drill, die grinder, and other rotary tools for maximum sanding control. Effortlessly attach the assembly to common grinding tools like drills and air tools with the included 1/4" shank.

What is included in a power drill kit?

Kit includes: (1) Buffer Attachment A power drill is a workhorse tool when it comes to do-it-yourself and professional construction projects. With added drill parts and attachments, you've got an even more versatile tool for both drilling and non-drilling tasks. Shop Lowe's for drill parts to get the most out of your power drill or impact driver.

Which sanding disc holder should I buy?

Join Prime ?TOP CHOICE - NYNM's 2inch Disc Pad Holder is the top choice for your sanding needs. With its special external thread adapter, you can effortlessly install the 1/8" shank on the holder and unlock the full potential of your Dremel for using roloc discs and hook loop sanding discs.
