

## Rock drill ratchet manufacturers ranking and prices

Which ratchet wrench brand is best?

2025 - Apex Tool Group eliminated the Armstrong tool brand in 2017, and funneled users towards Gearwrench and Crescent tool brands. Proto has become one of my favorite industrial tool brands. Their new spline ratcheting wrenches are great, their Duratek screwdrivers are awesome, and their ratchets are both consistently good and affordable.

Does Wright still make ratchets?

Wright - An independent manufacturer 2025 - of these tool brands, 1 no longer exists and 1 shifted most production to China. To my knowledge, Proto, Williams, and Wright still produce wrenches, ratchets, and sockets - among other tools - in the USA, although not exclusively.

Are proto ratchet wrenches any good?

Proto has become one of my favorite industrial tool brands. Their new spline ratcheting wrenches are great, their Duratek screwdrivers are awesome, and their ratchets are both consistently good and affordable. They also make great accessories as well, such as the locking extensions that we reviewed, and ratchet adapters for your breaker bar.

Are Armstrong Maxx locking flex ratchets worth it?

A contributor reviewed the Armstrong Maxx locking flex ratchet a while back, and really liked it. Armstrong seems to be more aimed towards government, aerospace, and military users, but a lot of their tools are affordable and easy to find for mechanics and independent users. They're solidly made and worth the investment.
