

Russian photovoltaic down-the-hole drilling rig manufacturer

Who makes USIC rigs?

OOO USIC-SERVICE (LLC) produces turnkey assembly of drilling rigs produced by USIC. Ural Siberian Industrial Company(USIC) - Russian manufacturer of completed drilling rigs for production and exploration drilling. Additionally,USIC manufactures drilling rigs components and units,as well as modernizes drilling equipment.

Where is the manufactured drilling equipment used?

The manufactured drilling equipment is widely used in Russia,CIS counters,Europe and Africa. The equipment meets modern requirements,successfully fulfills the tasks ahead of it. In addition,we manufacture all the required spare parts and drilling tools.

How many engineers are there in a drilling rig company?

More than fiftyhighly qualified engineers of the company are engaged in development of design and technological documentation according to customer technical specification,obtaining all permits necessary for commissioning and supporting manufacture of drilling rigs elements and equipment.

How a modern drilling rig works?

The modern drilling rigs are up with the highest standards in safety and effectiveness of drilling works. The company introduces all available modern technologies. The manufacturing process is strictly controlled and all of the produced equi [ment undergoes testing on our own testing facility before being send to the customer.

What is a rotary-table drilling rig?

Rotary-table drilling rigs URB-25 (load capacity 25 tonnes) and URB-40 (load capacity 40 tonnes) for technical water well up to 1,500 meters. Could be mounted on URAL and KAMAZ chassis Geomash manufactures caterpillar vehicles GTM-0,8 (weight capacity 800 kgs) and GTM-1,4 (weight capacity 1,400 kgs)

Which drilling rig is best for urban areas?

The drilling rigs has established itself as maneuverable in dense urban areas. For example the MBU series drilling rig,which is incredibly cost-effective. Small-sized drilling rig BBU 000 "Openok" is designed for engineering survey,seismic exploration and exploration drilling

Our intelligent surface drill rigs bring the latest technology to surface mining applications. Designed to work in the toughest operating conditions, our ...

We specialize in the manufacturing of water well drilling machines, open-pit down the hole drilling machines, wire rope coring drilling machines, tunnel drilling machines, and photovoltaic drilling ...

Russian photovoltaic down-the-hole drilling rig manufacturer

In the world, there are hundreds of player, who making the Drill Rigs from one century ago. Their drilling machine cover almost all drilling ...

The Russia DTH drilling machines market presents significant business opportunities for manufacturers, suppliers, and service providers. Companies specializing in advanced drilling ...

The advanced photovoltaic down-the-hole drill rig completely changes the traditional mining mode through photovoltaic direct drive technology, combined with pneumatic motors and intelligent ...

4.The drilling rig is mainly used for screw pile drilling, spiral hole drilling, rock DTH hammer drilling, screwing spiral rod, widely used in various solar photovoltaic ...

Down-the-hole drilling rigs | Choosing the right drilling rig You could need a drilling rig for a multitude of applications, for example to drill a well to access a ...

FD150 multifunctional and efficient crawler down-the-hole drilling rig The FD150 multifunctional crawler drilling rig is a versatile machine that combines photovoltaic piling, foundation piling, ...

HFPV-1M Photovoltaic Solar Pile Drilling Rig Also known as (solar drilling rig, Photovoltaic Pile Rig), using new type of hydraulic technology, convenient for hole transfer. The drilling machine ...

The YT593 Photovoltaic Drill Rig is ANNENG's flagship product, designed for high-efficiency operations in solar projects and mining exploration. This advanced Down-the-hole Drilling Rig ...

Manufacturers of the Rotary Drilling Rig Machine. REL Specialized in Rotary Blast Hole Drill Rig, Down the Hole Drills for Mining, Quarrying & Construction.

Our clients can visit for ... Telephone:7-863-2914016 Address:Shlokhov str. 11-B, Rostov-on-Don, Rostov, Russia Drilling Rig Services Ltd. "Drilling Rig Services" Ltd. represents top ...

We're professional spiral photovoltaic drilling machine manufacturers and suppliers in China, providing the best customized service with competitive price. We warmly welcome you to buy ...

JK drilling, a professional drilling rig manufacturer from China, is experienced in providing high-quality and high-efficiency surface drilling equipment to meet ...

Hfpv-1A Mobile Solar Photovoltaic Down-The-Hole Spiral Pile Drilling Machine,multitude of Rotary Pile Drilling Machine for Sale factories, Piling Machine Driver Price wholesalers,distributors & ...

Russian photovoltaic down-the-hole drilling rig manufacturer

Yikuang Series Integrated Rock Blast Hole Top Hammer Down The Hole Drill Rig, Find Details and Price about Photovoltaic Drilling Rig Foundation Drilling Rig from Yikuang Series ...

As one of the leading down-the-hole drilling rig enterprises in China, we warmly welcome you to buy cheap down-the-hole drilling rig for sale here from our factory. For price consultation, ...

The ZT44 is a down-the-hole surface drill rig designed for mining-duty applications. It offers high reliability and production with purpose-built structures, a high horsepower engine and large ...

Down-hole drilling rig is an impact rotary drilling rig, which has a different internal structure from general rock drills. Its gas distribution and piston reciprocating machine structure are ...

The cost of delivery of drilling rigs includes installation supervision and training. We carry out repairs of drilling equipment of Russian and foreign production. Without intermediaries We ...

A Down-the-Hole (DTH) drilling rig is a type of drilling equipment that drives a pneumatic hammer directly behind the drill bit at the bottom of the hole. This method delivers powerful, high ...

Company Introduction: Mengyin Feida Mining Engineering Machinery Co., Ltd. is one of the largest manufacturers of water well drilling rigs and down-the-hole drilling rigs in Shandong Province, ...

ANNENG YT593 Photovoltaic Drill Rig - High-Efficiency Down-The-Hole Drilling Solution Product Overview The YT593 Photovoltaic Drill Rig is ANNENG's flagship product, designed for high ...

SDLQ is one of the most professional photovoltaic pile driver enterprises in China, featured by quality products and good price. Please rest assured to buy cheap photovoltaic pile driver ...

The IM500GF photovoltaic drilling rig, a cutting-edge piece of construction machinery and a specialized photovoltaic pile driver, is meticulously designed to meet the unique demands of ...

The KG430H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Machine equipped with Yuchai four-cylinder ...
