

# Rwanda anchor engineering drilling rig customization

**Introduction** The term "Anchor/Micropile Foundation Drill Rig" covers several differing types of machines for use in the deep foundation construction industry. This guide is intended to cover ...

**Feature highlights:** The MGL-50 Mini Anchor Rod Drilling Rig is a hydraulic feed engineering rig with a long drilling range (30-60m), large drilling capacity (110-180mm diameter), and 0-360°; ...

Jinfan is especially devoted to research & develop, manufacture and sell anchoring drilling machine, sea engineering geological exploration drilling rig, core drilling machine and RC ...

10m -40m high lifting slope protection anchor drilling rig,hydraulic crawler mounted with cab,360 degree rotation chassis and 360 degree drilling,it can drill horizontal,vertical and inclined hole ...

**OUR EQUIPMENT** At Gaia Survey Rwanda, second only to the skilled people who operate them, we maintain PRD Speed Star and Gemsa drill rigs, carrier trucks, down-hole equipment, and ...

**Product Profile** The Drilling Rig Model YGL-C200,which is a full hydraulic top drive impact power head crawler drilling rig. It applies to construction of big tonnage stress anchoring hole, the ...

**Featured Products** GI-6000s Foundation Reinforcement Anchor Drill Engineering Anchor Drill RigsApplicationIt is mainly used forhard alloyrotary drilling, screw drilling, pneumatic drilling ...

The Foundation Pit Support Anchor Engineering Drilling Rig is crucial for ensuring the stability and safety of construction projects. By securely anchoring ...

The MGL-50 anchor engineering drilling rig is a mechanical power head type, hydraulic feed type engineering drilling rig, which has the characteristics of long drilling range, large drilling ...

We have extensive experience in the engineering of drilling rig s for micropiles and ground anchors for slope stabilization and soil investigation, ...

Hydraulic Rock Anchor Engineering Drilling Soil Nail Rig, Find Details and Price about Anchor Soil Nailing Machine Directional Drilling from Hydraulic Rock ...

You can contact us by email at [sales@machinesequipments](mailto:sales@machinesequipments) for reliable Drilling Rig Equipments supplier, we are well-known for our world-class Drilling Rig Equipments and one ...

## Rwanda anchor engineering drilling rig customization

Anchor Construction Engineering Drilling Rig Machine, Find Details and Price about Drilling Rig Machine Drill Machine from Anchor Construction ...

Key attributes Type Drilling Rig Power Type Custom Electric OR Diesel Use Ore Voltage customized Drilling Diameter 150mm Drilling Depth Max.100m Place of Origin Hebei, China ...

Anchor drilling machines are mainly used for landslide and dangerous rock mass anchoring projects in the prevention and control of various geological disasters in hydropower stations, ...

Zhengzhou Yugong Engineering Machinery Co., Ltd. has 17 years of professional production of anchor drilling rigs. YG mainly sales anchor drilling rig, DTH drilling rig, water well drilling rig, ...

The Anchor Engineering Drilling Rig is a high-performance geotechnical drilling solution designed for precision anchoring and reinforcement operations in complex ground conditions. Widely ...

Based in Kigali, Rwanda, BEN Specialized Engineering is a beacon of quality in geotechnical and engineering services. Despite being a recently established entity, we have rapidly gained ...

This anchor engineering drilling rig is especially designed to be used on steep slopes and embankments. The slope drill rig adopts our latest group technology and new hydraulic ...

MD-100A slope anchor engineering drilling rig is a fully hydraulic rotary anchor drilling rig. It is typically applicable to anchoring engineering of coast and dangerous rock or cliff for geological ...

AK-30 construction Anchor Drilling rigs used for drilling anchor holes in deep base pit of high building, anchor and reinforce side-slope for water conservatory project, water power station ...

ZJ-series full hydraulic anchor engineering drilling rig is fully hydraulic driven power head drilling rig, which is suitable for the construction of high-rise building deep foundation pit anchoring, ...

Anchor rigs have many common names, such as bolt drills, rock drills, bolt percussion drills and so on. The powerhead is an integrated design of impact and rotation and has the function of ...

10m -40m high lifting slope protection anchor drilling rig,hydraulic crawler mounted with cab,360 degree rotation chassis and 360 degree drilling,it can ...

The drilling rig is fully hydraulic driven and can realize stepless speed regulation, simple operation, convenient maintenance and less vulnerable parts. The drilling rig can be applicable ...

Hydraulic Rock Anchor Engineering Drilling Soil Nail Rig, Find Details and Price about Anchor Soil Nailing

## Rwanda anchor engineering drilling rig customization

Machine Directional Drilling from Hydraulic Rock Anchor Engineering Drilling Soil Nail ...

Simple Structure MGL50 Anchor Rod Engineering Drilling Rig Multi Angle Slope Rock Drilling Machine Custom Size No reviews yet Hebei Guoxin Geological Equipment Co., Ltd. 1 yr CN

RC168Y hydraulic crawler drilling rig for anchor drilling /slope supportng /soil nailing RC168Y hydraulic anchoring engineering drilling rig is a multifunctional ...

Anchor drilling rigs, also known as anchoring drilling rigs or anchoring engineering drilling rigs, are powerful machines designed to drill ...
