

Sandvik s largest rock drill

The Pantera DP1600i drill rig is a customizable, stable foundation for large-hole drilling with the most power in its class, Sandvik says. Its intelligent support of automation ...

Sandvik's complete range of Top Hammer drilling tools is designed to transmit intensive impact power into the rock, while at the same time reducing loss of energy. This results in increased ...

Ranger(TM) DX800 is a hydraulic, diesel-powered, self-propelled top hammer drill rig with an ergonomic cabin and rod handling system. Typical applications are ...

A major breakthrough for us here at Sandvik was the integral steel in the late 1940's. Overnight, this material revolutionized rock drilling a hundredfold and significantly improved production as ...

Sandvik Mining and Rock Solutions is introducing the Sandvik DD312i, a new intelligent, compact and automated single-boom jumbo. Capitalising on 20 years of drilling ...

At a special virtual product launch event, Sandvik Mining and Rock Solutions introduced the Top Hammer XL, its latest innovation in surface top ...

Top Hammer XL is the latest innovation in surface top hammer drilling from Sandvik Mining and Rock Solutions. The new, groundbreaking drilling system, targeting large-scale quarry and ...

DR412i blasthole drill is designed to deliver dependable penetration and greater return on investment for rotary and DTH holes. From onboard automation that ...

Intelligent development drilling with Sandvik DD312i - a cutting-edge- drill delivering high performance and advanced technology for underground mining.

Sandvik Mining has announced the world's largest hydraulic top hammer rock drill, RD2045C, delivering increased drilling capacity, more efficient rock ...

Barrick Gold Corporation (Barrick), an industry-leading gold and copper producer, has selected Sandvik Mining and Rock Solutions to supply seven surface drill rigs to replace ...

Sandvik's Top Hammer XL Drills Up To 7-Inch Holes Using Half The Fuel Of A Down-The-Hole Rig "A key asset of the Top Hammer XL drilling system is that all three main ...

Our intelligent rotary drill rigs bring the latest technology to surface mining applications. Designed to work in

Sandvik s largest rock drill

the toughest operating conditions, our rotary blasthole drill rigs combine power with ...

As decarbonization efforts accelerate across the surface mining sector, Sandvik has unveiled its second battery-electric concept surface drill ...

That top hammer drills have always been limited in terms of hole sizes is no overstatement. To provide context, the previous Pantera(TM) ...

Globally diversified miner South32 has selected Sandvik Mining and Rock Solutions to supply 22 battery-electric vehicles as part of a 42-unit ...

After more than one hundred years of experience in rock drilling equipment manufacturing and use, Epiroc has the market cornered on advanced underground drilling ...

Globally diversified miner South32 has selected Sandvik Mining and Rock Solutions to supply 22 battery-electric vehicles as part of a 42-unit underground equipment ...

Sandvik has received a major order from South32 to supply an underground mining equipment fleet for its greenfield Hermosa critical minerals project in Arizona, US. The ...

The D50KX rotary/DTH blasthole drill features digitally driven enhanced productivity with features like high-precision TIM3D GPS navigation and the Knowledge Box™; for seamless connectivity ...

Sandvik has received its largest ever order for surface drill rigs, valued at SEK 248 million. The order from U.S.-based Sandvik dealer Country Boy Supply, LLC was booked in ...

Sandvik Mining has announced the world's largest hydraulic top hammer rock drill, RD2045C, delivering increased drilling capacity, more efficient rock breaking, improved blast ...

Sandvik Mining has announced the launch of the world's largest hydraulic top hammer rock drill, RD2045C, delivering increased drilling capacity, more efficient rock breaking, improved blast ...

Sandvik Mining and Rock Solutions is introducing the electric Sandvik DR416iE, the next generation i-series rotary blasthole drill based ...

Sandvik Mining and Rock Solutions is introducing Sandvik DD312i, a new intelligent, compact and automated single-boom jumbo.

Ranger(TM) DX800 is a hydraulic, diesel-powered, self-propelled top hammer drill rig with an ergonomic cabin and rod handling system. Typical applications are road cutting, pipeline ...

Sandvik s largest rock drill

Our full selection of mining and surface equipment for rock drilling, crushing and screening, loading, tunneling, quarrying, breaking and demolition.

READ MORE ARTICLES ABOUT SANDVIK "By considerably expanding the hole size range of previous top hammer drills, the Pantera(TM) DP1600i challenges traditional DTH ...
