

Screw air compressor 90 kW

Efficient, reliable and built to last, the GA 90+-160 / GA 110-160 VSD compressors are designed to provide high-quality compressed air even under harsh conditions. Every GA is designed, ...

Back to the product list Large Rotary Screw Air Compressors FM Series, 90 - 132 kW Nominal Pressure: 5 to 13 bar g Motor Power: 90 - 132 kW Volume Flow: 5.26 to 24.79 m³/min Industry ...

Variable frequency screw air compressors are equipped with intelligent control systems that allow for efficient operation and energy savings. The system is equipped with a microprocessor ...

Single Stage: 90-250 kW Elgi, established in 1960, designs and manufactures a wide range of compressors. The company has gained its reputation for design and manufacture of screw ...

The EG Series Electric Lubricated Screw Air Compressors are a powerful solution with capacities ranging from 90 kW to 160 kW designed to suit various ...

1.1. This specification is for a gear driven, oil-lubricated, single-stage air cooled rotary screw air compressor. The compressor shall be a 90 kW horsepower Atlas Copco model GA90 or pre ...

Variable frequency screw air compressors are equipped with intelligent control systems that allow for efficient operation and energy savings. The system is equipped with a ...

Each year, we open new customer centers in emerging markets, always with a long-term commitment to local customers and partners. Atlas Copco Compressor Technique provides air ...

Explore the Impetus 90-315 kW rotary screw air compressors, offering energy efficiency, low noise, and long life with optional water cooling and heat recovery.

A New Level of Reliability, Efficiency and R-Series 90-160 kW/125-200 hp rotary screw air compressors offer the very best of time-proven designs and technologies with new, advanced ...

The new Champion 90 to 132 kW range has been completely redesigned with changes to all parts of the compressor including the airend, the controller and the cooling system. Premium ...

The screw compressors in this series produce oil-free compressed air - cleanly, efficiently and with maximum reliability. This makes them ideal for critical sectors, such as in the ...

Besides the 90KW 2-stage screw air compressor, our 2-stage air compressors are available from 15KW to

Screw air compressor 90 kW

315KW. Equipped with complete manufacturing ...

Nirvana Variable Speed Oil-Free Rotary Screw Air Compressors 90-160 kW Nirvana oil-free air compressors, with a matching variable speed inverter and hybrid permanent magnet ...

The all new E-Series 90-160 kW oil-free rotary screw air compressors build upon Ingersoll Rand's proven robust design to provide unparalleled energy efficiency. These compressors are fully ...

CompAir L90 - L132, RS The 90 to 132 kW range of lubricated screw compressors comprises fixed speed and regulated speed (RS) models, single ...

Our E-Series oil-free rotary screw systems offer market-leading efficiency without compromising Ingersoll Rand's renowned reliability. They are available in a 75-160 kW model, 90-160 kW ...

Back to the product list Lubricated Rotary Screw Compressor 90 - 132 kW CompAir L90 - L132, RS The 90 to 132 kW range of lubricated screw compressors comprises fixed speed and ...

The all new E-Series 90-160 kW oil-free rotary screw air compressors builds upon Ingersoll Rand's proven robust design to provide unparalleled energy efficiency. These compressors ...

Senator DSV90 Rotary Screw Air Compressor - 90 kW 8/10/13 bar - 174-537 CFM / 4927-15206 LPM - Base Mounted suited for medium-to-large industrial ...

The all new E-Series 90-160 kW oil-free rotary screw air compressors builds upon Ingersoll Rand's proven robust design to provide unparalleled energy efficie...

The new Broomwade 90 to 132 kW range has been completely redesigned with changes to all parts of the compressor including the airend, the controller and the cooling system. Premium ...

The GA 37-90 gives you that trusted Atlas Copco oil-injected screw performance at the lowest investment cost. Built with top-quality materials, the GA 37-90 ensures compressed air ...

The EG Series Electric Lubricated Screw Air Compressors are a powerful solution with capacities ranging from 90 kW to 160 kW designed to suit various industrial applications. These electric ...

New Level of Reliability, Efficiency and Series 90-160 kW rotary screw air compressors offer the very best of time-proven designs and technologies with new, advanced features that ensure ...
