

Second-hand crawler fully hydraulic core drilling rig

Truck & Trailer Marketplace offers reliable drill rigs from various dealers in South Africa, providing a wide range of options for your needs.

Hydraulic drilling rig adopts high power diesel engine with strong power, which can easily meet the requirements of high altitude, extreme cold and other bad working conditions, with high ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include augering and down-the-hole rigs. Typically these are mounted onto ...

The DMiningwell JY-1000 Fully Hydraulic Core Drilling Rig is mainly applicable to the drilling of solid deposits, can also be used for engineering geology, shallow oil, natural gas, groundwater ...

JY600 Certification CE, RoHS, ISO 9001:2000, ISO 9001:2008 Condition New Motor AC Motor Drill Hole Diameter >300mm Drill Hole Depth >200m Bit Type Cone Bit Drilling Way Rotary ...

The rope core drilling rig is an important equipment in the field of geological exploration, and its core advantage lies in the ability to obtain rock cores without lifting the drill, greatly improving ...

Type Drilling Rig Power Type Diesel Use Coal Voltage 220V/380V Drilling Diameter 140mm, 180mm, 250mm, 200mm Drilling Depth Max.200m Place of Origin Shandong, China Weight ...

Hot Sale Depth 130m Hydraulic Drilling Rig for Water Well Machine with Best Price US\$1,000.00 - 2,000.00/ Piece Product Groups Product Catalogs Drilling rig accessories Truck mounted ...

JCD2000 is designed for deep and high-torque core drilling applications, offering unmatched power and capacity for advanced exploration projects. Supporting HTW, NTW, and BTW ...

Product Description The crawler water well drilling rig is a specially designed equipment for water well drilling, which adopts crawler chassis to adapt to complex terrain such as mountains and ...

Fully Hydraulic Core Drilling Machine Features Full hydraulic drive, steel crawler walking, combined mast, power machine, main and auxiliary hoist, mud pump, etc. are arranged in one ...

Increase operational efficiency in mining with cutting-edge fully hydraulic core drilling rig that meets the demands of tough conditions and sustained usage.

Second-hand crawler fully hydraulic core drilling rig

BDMYC-400 400m deep crawler mounted hydraulic drill rig 800m Water well Crawler portable drilling rig machine| Alibaba

The full hydraulic rope coring drilling rig features advanced rope coring technology, enabling efficient, deep rock sampling without removing the entire drill string. With a powerful engine ...

Core Drilling Rig Power Type Diesel Brand Name BDM Use Ore Dimension (L*W*H) 6000*2200*2400mm Mobility Moving by crawler Rated pressure 28 (MPa) Drilling diameter ...

JY1000 Bseries crawler type full hydraulic core drilling rig is a new type of full hydraulic core drilling rig designed by our company after careful optimization and innovative design based on extensive ...

JY800 series crawler type full hydraulic core drilling rig is a new type of full hydraulic core drilling rig designed by our company after careful optimization and innovative design based on extensive ...

Bdmyc-1000 Crawler Top Drive Drilling Rig For Geotechnical Mining Exploration - Buy Drilling Rig mine Drilling Rig borehole Drilling Rig water Well Drilling Rig fully Hydraulic Core Drilling Rig ...

Sun Machinery is the place for contractors to buy and sell rigs and vessels and related equipment. Our database contains thousands of used equipment for sale, which are presented and ...

Core drilling rigs include crawler type, trailer type, and fully hydraulic core exploration drilling rigs. They are mainly used for mineral mining, sampling, drilling, etc.

XDL-1800/1200 crawler full hydraulic core drilling rig is used for core drilling with diamond bit. It is a representative model with tracklayer mainly for medium and deep core drilling. This machine ...

The RL600 is a robust and versatile drilling machine designed for a wide range of drilling applications. This full hydraulic drilling machine boasts impressive specifications that make it ...

Full hydraulic core drilling rig is a highly efficient and versatile drilling machine, primarily designed for drilling solid mineral deposits while also being ...

Drilling rigs 1678 offers Price from EUR9,900 Atlas Copco, XCMG, Bauer, and other ones New and used Trusted sellers Currently in stock Quality construction equipment for sale at Machineryline

Adopting the advanced load sensitive control technique, the drill rig has reduced the power consumption and heat generation to the lowest level. With an elegant outline, compact ...

JCD300 core drilling rig is a kind of lightweight fully hydraulic core drilling machine for geological

Second-hand crawler fully hydraulic core drilling rig

exploration, and it is portable. It is mainly used in complex terrains and inaccessible areas, and ...
