

Shanhe Intelligent Down-the-Hole Drilling Rig Cab

1) Safety protection measures Shanhe intelligent rotary drilling rig fully consider the safety guarantee, in the construction process rest assured. The cab adopts a special-shaped frame ...

Good reliability and stability: Shanhe Intelligent SWDTH100H down-the-hole drilling rig uses high-strength steel and wear-resistant accessories, which has high reliability and stability.

The rig is equipped with both down-the-hole and cone drilling modes.,Make the construction operation more convenient.;Double-motor two-stage reduction is adopted.,Adapt to a wide ...

The CY-IDR310 series intelligent down-the-hole drill rig adopts a modular diesel-electric integrated walking drive system, a high-mast strong drilling system, a large-volume slag ...

Shanhe Intelligent has a deep technical foundation in the field of modern rock drilling equipment. Shanhe intelligent integrated hydraulic submersible drilling rig is a new product that is ...

Having a knowledgeable and available world-class partner on site or online, makes the difference between doing it alone and tapping the experience and know-how. The customer can count on ...

More than 40 meters to 50 meters are caves, and 50 meters are more wide in diameter than 6 meters. The casing must be down to 50 meters to ensure the quality and cost ...

The SWDM220 and SWDM300H rotary drilling rigs have continued the consistent characteristics of Shanhe Intelligent Rotary Drilling Rigs. They are applicable ...

The multi-functional rotary drilling rig with high technical level, rapid construction and wide application range represented by cast-in-place pile has strong vitality. Shanhe ...

1. High efficiency and energy saving: Sunward's intelligent SWDTH100H down-the-hole drilling rig adopts advanced hydraulic system and intelligent control technology to achieve efficient ...

In 2001, He Qinghua, the chairman of Shanhe Intelligent, personally took the lead and set up a rotary drilling rig project team to focus on the core technology of rotary drilling rigs.

This batch of integrated down-the-hole drilling rigs includes two models, SWDE138A and SWDB200A, which integrate rock adaptive control, intelligent bottom control, ...

Shanhe Intelligent Down-the-Hole Drilling Rig Cab

KAISHAN High performance KT12 Kaishan DTH Diesel Crawler Down the Hole Blasting Mining Drill Rig for mine blasting hole KT12 integrated DTH drilling rig ...

Jin10 reported on July 31 that an investor asked whether the ultra-deep vibrating drilling rig seen in the CCTV footage of the opening ceremony of the Yarlung Tsangpo River downstream ...

This document provides contact information for two Sunward companies: Sunward Intelligent Equipment Co., Ltd. in Changsha, China and Sunward Europe Heavy Industry NV in Beringen, ...

Brand new and upgradedBFSeries cutting down-the-hole drilling machine,Combine that advantages of Excavator and rock drill,Both high-speed cutting and ...

In an environment where the move towards intelligent drilling continues to gather pace, the Sandvik DR412i rotary drill rig, armed with the ...

The SWDH89A open-air hydraulic drilling rig involved in PK was independently developed by Shanhe Intelligent Rock Drilling Equipment Research Institute. After several ...

Performance Characteristics of Shanhe Intelligent SWDM360H Rotary Drilling Rig 1. Special chassis Special hydraulic telescopic chassis for rotary excavation, the main and auxiliary ...

Kaishan KT11 dth drilling machine is designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Get a FREE quote now.

The SWPDT125 deep well casing truck mounted drilling rig is the intelligent crystallization of Shanhe Intelligent"s continuous utilization of its "pioneering innovation" advantages and more ...

Recently, the National Mining Drilling (Emergency Rescue) Skills Competition kicked off in Jining, Shandong. Shanhe Intelligent showcased its independently developed SWPDT135 dual power ...

Down The Hole Hammer Drill Rigs for Mining, the ZEGA D470A"s diesel-powered, down-the-hole (DTH) drill has excellent mobility, a smaller footprint and the ability to serve multiple sites. It is ...

In this PK process, Shanhe intelligent SWDH89A open-pit hydraulic drilling rig wins strongly (work efficiency, fuel consumption, environmental protection index, failure rate, ...

In 2002, Shanhe Intelligence became the only host manufacturer in China that had independent intellectual property rights and was able to independently develop rotary rig control software. ...

The highly memorable down-the-hole drilling rig that was successfully launched in 2003 was here. The head

Shanhe Intelligent Down-the-Hole Drilling Rig Cab

of the mine, Mr. Ye, introduced that since entering the mine in 2004, this Shanhe ...

Unique high-drill structure, reduce the auxiliary time of the connecting rod; configure two working modes of down-hole and cutting, adopt the down-hole mode under hard rock conditions, adopt ...

Multi-functional expansion of high-value embodiment Shanhe intelligent rotary drilling rig has a variety of configurations for you to choose from, to achieve-machine multi-function, diversified ...

Recently, Andre, General Manager of a Mining Area, and His Delegation Visited Sunward Intelligence for Investigation and Exchange? At the exchange meeting, Shu Minfei, ...

Integrated Open-pit Down-the-hole Drill Rig Starting this week, we will introduce you a product every week, and walk into the product world of Zhigao Machinery with you. This week, we will ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is ...
