

Shanhe Intelligent Down-the-Hole Drilling Rig Needs Order

Part of the Sandvik i-Series range of surface drill rigs, the DR412i was designed in response to the mining industry's move towards intelligent ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

The need for engineering construction has promoted the rapid development of new pile driving machinery. The multi-functional rotary drilling rig with high technical level, rapid ...

Recently,Andre, General Manager of a Mining Area, and His Delegation Visited Sunward Intelligence for Investigation and Exchange?At the exchange meeting,Shu Minfei, ...

Performance Characteristics of Shanhe Intelligent SWDM360H Rotary Drilling Rig 1. Special chassis Special hydraulic telescopic chassis for rotary excavation, the main and auxiliary ...

The SWDH89A open-air hydraulic drilling rig involved in PK was independently developed by Shanhe Intelligent Rock Drilling Equipment Research Institute. After several years of industrial ...

Air capacity is the most important factor affecting down-the-hole performance. The engine and compressor in a SmartROC drill rig are controlled by an intelligent system which delivers more ...

The rig is equipped with both down-the-hole and cone drilling modes.,Make the construction operation more convenient.;Double-motor two-stage reduction is adopted.,Adapt to a wide ...

The SWPDT125 deep well casing truck mounted drilling rig is the intelligent crystallization of Shanhe Intelligent's continuous utilization of its "pioneering innovation" advantages and more ...

In this PK process, Shanhe intelligent SWDH89A open-pit hydraulic drilling rig wins strongly (work efficiency, fuel consumption, environmental protection index, failure rate, ...

In 2001, He Qinghua, the chairman of Shanhe Intelligent, personally took the lead and set up a rotary drilling rig project team to focus on the core technology of rotary drilling rigs.

In 2003, China's first integrated down-the-hole drilling rig with independent intellectual property rights was successfully launched in Shanhe Intelligent. With high technical standards, the ...

Shanhe Intelligent Down-the-Hole Drilling Rig Needs Order

The SWDH89A open-air hydraulic drilling rig involved in PK was independently developed by Shanhe Intelligent Rock Drilling Equipment Research Institute. After several ...

In March 2003, Shanhe Intelligent's first rotary drilling rig, which received much attention and shouldered heavy burdens, went to Hexi Power Plant in Inner Mongolia to accept the test of ...

Wholesale best sunward factory price integrated down-the-hole drill rig swde152b for mining and quarry same to sandvik \$160000 at a factory price from a trusted verified supplier, Sinomada ...

Product Description Product Description The SWDE165A integrated down-the-hole drilling rig is highly efficient, and the unique long drill frame structure reduces the auxiliary time of the ...

SWDB200A integrated down-the-hole drilling rig Sunward Intelligent SWD series integrated hydraulic down-the-hole drilling rig is a collection of multiple patents. It has the characteristics ...

1) Safety protection measures Shanhe intelligent rotary drilling rig fully consider the safety guarantee, in the construction process rest assured. The cab adopts a special-shaped frame ...

The KQG-150 underground down the hole drilling rig is developed by our company based on the new characteristics of underground mining technology in China& comma; and optimized and ...

More than 40 meters to 50 meters are caves, and 50 meters are more wide in diameter than 6 meters. The casing must be down to 50 meters to ensure the quality and cost ...

Shanhe Intelligent stated on the interactive platform that there was an ultra-deep vibrating drilling rig at the project opening ceremony site that was developed by the company.

SWDB165 integrated down-the-hole drilling rig Sunward Intelligent SWD series integrated hydraulic down-the-hole drilling rig is a collection of multiple ...

The SWDB250 integrated down-the-hole drilling rig is ideal for large mines. Shanhe intelligent SWDB250 DTH drill [New product: SWDH102S open-air rock drilling rig] The SWDH102S ...

The SWDM220 and SWDM300H rotary drilling rigs have continued the consistent characteristics of Shanhe Intelligent Rotary Drilling Rigs. They are applicable ...

Modular design, compact structure, reasonable layout and convenient maintenance. Optional configuration Accurate angle detection to meet the ...

This batch of integrated down-the-hole drilling rigs includes two models, SWDE138A and SWDB200A,

Shanhe Intelligent Down-the-Hole Drilling Rig Needs Order

which integrate rock adaptive control, ...
