

Shanhe Intelligent Hydraulic Rock Drill Maintenance

Recently, Andre, General Manager of a Mining Area, and His Delegation Visited Sunward Intelligence for Investigation and Exchange? At the exchange meeting, Shu Minfei, ...

In the fast-paced worlds of mining, metallurgy, and infrastructure engineering, rock drilling machinery is essential for driving productivity. At Ningbo Easydrill Machinery Co., Ltd., a ...

Taiwan Cement Corporation (TCC Group) Taiwan has Released a tender for Coupling Shanhe Intelligent Drilling Rig Swde165B Part No. 750310000446 And 13 Items ...

On March 19, 2020, in Shanhe Industrial City, the staff was busy carrying out the final loading inspection. A large number of rock drilling and lifting equipment ...

High-power hydraulic rock drill, with large impact energy and built-in back-hitting function, effectively reduces the risk of drill jamming and saves drilling tools.

In 2019, Jiangxi WOSERLD Hydraulic Rock Drilling Co., Ltd. was established in Pingxiang, Jiangxi Province. Over the years, WOSERLD has gradually become one of the globally ...

Performance Characteristics of Shanhe Intelligent SWDM360H Rotary Drilling Rig 1. Special chassis Special hydraulic telescopic chassis for rotary excavation, the main and auxiliary ...

The ultra-large rotary drilling rig 550 mainly solves the construction requirements of large-scale bridges such as ultra-deep, super-large diameter and rock-in-situ piles. The ...

Used Shanhe Intelligence SWDM300H 360h Geotechnical Hydraulic Rotary Hammer Drilling Rig Perforadoras De Pozos Para Agua Usadas

Shanhe intelligent open-air hydraulic drilling rigs make a perfect answer The top hammer type open-air hydraulic drilling rig is provided with hydraulic rock drills to provide ...

Recently, Shanhe Intelligent Full Hydraulic Open-pit Rock Drilling Rig Family has launched a new SWDH102S full hydraulic open-pit rock drilling rig. The high-reliability SWDH102S full ...

The company has a wide range of business, covering core sectors such as the supply spare parts for Schramm drill rigs, drill rig maintenance, services for drill rigs of multiple brands and ...

Shanhe Intelligent Hydraulic Rock Drill Maintenance

1. High efficiency and energy saving: Sunward's intelligent SWDTH100H down-the-hole drilling rig adopts advanced hydraulic system and intelligent control technology to achieve efficient ...

Adaptability to Complex Construction Environments The Shanhe Intelligent SWDM450V performs exceptionally well in complex geological conditions such as interlayers, sloped rocks, and karst ...

In 2002, Shanhe Intelligent's first rotary drilling rig SWDM20 came out. This gathering of Shanshanhe intelligent innovation technology and internationally renowned brands in a rotary ...

The SWDM220 and SWDM300H rotary drilling rigs have continued the consistent characteristics of Shanhe Intelligent Rotary Drilling Rigs. They are applicable ...

The ultra-large rotary drilling rig 550 mainly solves the construction requirements of large-scale bridges such as ultra-deep, super-large diameter and rock-in-situ piles. The maximum drilling ...

The invention discloses a full-hydraulic adaptive coupling control loop for the rotation and propelling of a rock drilling machine and a control method. A first load-sensitive variable pump, ...

????????:"???"("??"??????,"??"????????????????),??????200??????,??? ...

The SWDH89A open-air hydraulic drilling rig involved in PK was independently developed by Shanhe Intelligent Rock Drilling Equipment Research Institute. After several ...

In 2002, Shanhe Intelligence became the only host manufacturer in China that had independent intellectual property rights and was able to independently develop rotary rig control software. ...

The SWDH89A open-air hydraulic drilling rig involved in PK was independently developed by Shanhe Intelligent Rock Drilling Equipment Research Institute. After several years of industrial ...

On January 22, 2006, the company's self-developed SWE series of multi-functional small hydraulic excavators and SWDM series rotary drilling rigs passed the new product ...

In 2003, Shanhe Intelligent successfully developed a hydraulic submersible drilling rig, filling the gap in the domestic market for high-end rock drilling equipment, and completely ...

4. Intelligent control easy driving Advanced intelligent control system, give full play to the performance of the equipment, while making the operation easy. 1) Safety protection ...

First of all, relying on the advantages of the Shanhe intelligent brand, the Group will make rational use of the original customer resources of the Group in the construction ...
